Subject: Lassen County Wraparound/Family Solutions Program requests the approval to purchase a truck using state-allocated Family Urgent Response System (FURS) funds in the amount of \$58,483.49.

Background:

FURS (Family Urgent Response System) is a 24/7 statewide hotline that provides immediate, trauma-informed support to current and former foster youth and their caregivers. The goal of FURS is to help stabilize placements, prevent placement disruptions, and ensure that foster youth and caregivers have access to crisis intervention services when they need them. FURS consist of a Free Statewide Hotline – Available 24/7 for foster youth and caregivers to call, text, or chat for immediate support as well as a **County-Based Mobile Response Teams** – Local teams that can provide in-person support when needed.

It's meant to help with issues like behavioral challenges, conflicts, and emotional distress to ensure stability in placements. FURS is administered by Family Solutions-Wraparound with support from Child and Family Services, Lassen County Probation and Lassen County Behavioral Health. The purchase of this vehicle is an allowable expense under the FURS funding guidelines and is essential to the effective implementation of our services.

Given the rural nature of Lassen County, reliable transportation is critical for our staff to respond promptly to crises, conduct home visits, transport necessary supplies, and ensure that youth and families receive timely, in-person support.

A truck was selected for purchase due to its durability, all-weather capability, and ability to navigate the diverse terrain of our county. This vehicle will enhance our ability to deliver services efficiently, particularly in remote areas where many of our families reside. Additionally, it will allow staff to transport essential materials needed to support our crisis response efforts.

This expenditure aligns with the purpose of FURS funding, which is designated to improve response services and provide essential resources for youth and caregivers in need. Since these funds are allocated specifically for FURS operations, this purchase will not impact the county's general fund. We appreciate your consideration of this request and your continued support of services that strengthen our community's ability to care for vulnerable youth. Please let us know if you require any additional information to facilitate approval.

Fiscal Impact:

There is no impact to the County General Fund. This purchase will utilize Fund/Budget Unit No. 110-0754 and is included in the Fiscal Year 2024/2025 Budget.

Action Requested:

1) Approve Purchase; and 2) Authorize the County Administrative Officer or Designee to execute the Amendment.
