Subject: Lassen County Wraparound/Family Solutions Program is requesting to add an additional Facilitator I/II within Fund/Budget Unit No. 110-0754 to support increased caseloads

Background:

Lassen County Family Solutions provides the Wraparound Process for high needs Child and Family Services (CFS) and Probation cases, prevention services via the Family First Prevention Services Act (FFPSA), and now the youth and adult mobile crisis responses.

Due to the increased need in our community and the State's directives to provide additional crisis and prevention services, the department's caseloads have increased from 22 cases to 48 cases. Because of the high needs of the clients and the depth of case manage provided, standard wraparound caseload is 8 families. Last year, the department provided services for 66 new families and they currently have a waitlist of 18 referrals to be assigned.

Fiscal Impact:

There is no impact to the County General Fund. The salaries and benefits for the additional position will be paid out of Fund/Budget Unit No. 110-0754 up to the amount of \$102,358.00.

Action Requested:

1) Approve additional 1 FTE Facilitator I/II position within Fund/Budget Unit No. 110-0754.
