As a lifelong Lassen County resident, the Lassen County Fair has been a part of my life since birth. I have attended and participated in every fair, experiencing firsthand the important roles it plays in bringing our community together. My desire to serve on the Fair Board comes from a deep commitment to preserving this tradition for future generations while ensuring it continues to grow and remain relevant.

The fair is more than an annual event—it is a celebration of our history, culture, agriculture, and shared values. It connects generations, provides educational opportunities, showcases local talent and achievement, and strengthens community pride. I believe the fair serves as a vital vehicle for preserving what makes Lassen County unique while also embracing innovation and a shared vision for the future.

I am motivated by a desire to serve and preserve: to honor the traditions that have shaped our community while supporting thoughtful growth that keeps the fair vibrant, meaningful, and sustainable. By working collaboratively with fellow board members, staff, volunteers, exhibitors, and community partners, I hope to help ensure that the Lassen County Fair remains a source of connection, education, and pride for generations to come.
