Subject: Agreement between Lassen County and Restpadd Health Corp. to provide Acute Psychiatric Inpatient Care under the Short-Doyle Act for the term of July 1, 2025, to June 30, 2026. The total Maximum Contract Amount is \$200,000 to include \$100,000 for FY 2025/2026 and \$100,000 for FY 2026/2027.

Background:

Restpadd Health Corp is an inpatient acute care treatment facility licensed by the State of California Department of Health Care Services, designed as a 2-unit facility that treats both adults 18 and older, and adolescents ages 13 to 17. The design of the facility prevents mingling between adults and adolescents. Each unit is staffed daily with at least two nurses and two mental health technicians.

The Short-Doyle Act seeks to encourage the treatment of a patient suffering from a psychiatric disorder in his home community, with the assistance of local medical resources. Since Lassen County does not have any inpatient psychiatric facilities, we are forced to contract with out-of-county facilities.

Fiscal Impact:

There is no impact on the County General Fund. This Agreement will be paid from Behavioral Health Fund/Budgets 110/0751.

Action Requested:

1) Approve the Agreement with Restpadd Health Corp. and 2) Authorize the County Administrative Officer or Designee to execute the Agreement.

AGREEMENT BETWEEN
LASSEN COUNTY
AND
RESTPADD HEALTH CORP

SCOPE OF DUTIES

Inpatient Mental Health Service.

Services shall include clinical and medical services which are generally recognized and accepted for the diagnosis and treatment of a behavioral disorder or psychological injury, as clinically necessary.

A. Fee for Service Access:

Contractor will provide the County access to a bed space on a first-come, first-served "Fee for Service" basis. County agrees to pay the all-inclusive "fee for service" daily rate as set forth in Attachment B below from the day of admission to the day of discharge. County is eligible to receive Med-Cal Reimbursement from the State of California, Department of Health Care Services for these bed days. County may place Adult patients at Contractor's psychiatric health facility (PHF).

The County Adult System of Care will determine the appropriateness of placement based on clinical medical necessity criteria.

B. Program:

Restpadd Psychiatric Health Facility operates a Psychiatric Health Facility (PHF) providing therapeutic and rehabilitation services in a non-hospital 24-hour inpatient setting. Services are provided to individuals experiencing an acute psychiatric episode or crisis, whose physical health needs can be met by an affiliated hospital or in an outpatient setting.

The primary focus of the program is continuous diagnostic assessment of the individual's mental health status, stabilization and maintenance of the mental health condition, improvement of patient's functioning ability, and transitional planning with appropriate referrals. It is intended for individuals who have a qualified mental health or crisis requiring temporary care in a safe and secure environment.

Restpadd PHF plans to accept "involuntary" and "voluntary" adult patients who are referred from county mental health agencies who meet the admission criteria established for the program. All care provided by the PHF will be pre-authorized by the referring Adult System of Care and subject to utilization review criteria for medical and service necessity.

Patients will be discharged or transferred from this facility when: 1) the patient has successfully completed a treatment plan and no longer meets medical or service necessary criteria, 2) the patient no longer meets criteria for an involuntary hold, or 3) the patient needs a higher level of medical or psychiatric care. It is expected that all patients moving to a lower level of care (e.g. board and care, supervised living, etc.) would be returned to the county of origin for placement or other disposition. County of origin is responsible for transportation at time of discharge based on Medical Provider discharge plan.

Restpadd Psychiatric Health Facility has established relationships with other providers to handle medical care, health emergencies, higher levels of psychiatric care, and other referral needs. Other than the case of a health emergency, where an urgent referral is needed, Restpadd Psychiatric Health Facility, shall obtain approval of the County contract administrator before referring and transferring the patient to a different placement.

This psychiatric program is designed for the treatment of adult patients, with primary psychiatric diagnosis. The following patients are excluded:

1. Patients who have the primary diagnosis of an eating disorder (anorexia nervosa or bulimia) as defined in Section 1254.5(b) of the California Health and Safety Code.
2. Individuals with major mental disorders will not be admitted if their treatment requires medical interventions beyond the level appropriate to a psychiatric health facility, including:
 - a. Severe withdrawals from substance abuse
 - b. Treatment for substance induced delirium and/or delirium tremens (DT)
3. Disorders caused by chronic organic brain dysfunction.
4. Behavioral, cognitive and/or physical impairment which would render the patient unable to function at a minimally acceptable level within the treatment program, such as a medically unstable patient whose safety requires treatment in a medical surgical hospital.
5. Those who meet criteria for less restrictive treatment.

C. Average Length of Stay

The length of stay at the Restpadd PHF is planned to meet the acute psychiatric needs of the patients referred to the program based on medical necessity. Restpadd PHF will accept both patients who meet the admission criteria for the program. It is expected that many of the patients referred to Restpadd PHF will be on an involuntary hold, which is limited to 72 hours. These patients may receive treatment beyond that time frame if they meet continued medical necessity. To continue treatment, a patient must either agree to be treated on a voluntary basis or must be mandated to continue on an involuntary basis by the proper legal authority. In all cases, individual care will be coordinated with the County Contract Manager. Discharge planning and aftercare will be coordinated with the patient's referring agency/caseworker to ensure post-discharge placement, medication support, and social, vocational, and educational services as appropriate.

Restpadd PHF is responsible for coordinating the logistics for certification review, involuntary medication, and writ hearings. County is not responsible for providing staff for advocacy during these hearings or associated costs for these hearings.

D. Admission Process

Upon receipt of physician's orders and signed consent for treatment (or 5150). The patient meeting admission criteria will be completed by a licensed nurse. The physician's admission orders and the nursing assessment then guide the preliminary treatment plan.

E. Assessment and Evaluation Procedures

Assessment of all patients begins on admission and is integral to the treatment process. Treatment planning is individualized according to individual needs identified through assessments. Primary assessments include the following:

- Psychiatric Evaluation, Medical History and Physical, Nursing Assessment, Psychosocial History, and Recreational Specialist Assessment.

As indicated by patient need, physician and treatment team assessment, the following additional assessments may be provided:

- Nutrition Assessment, Other Assessments: Laboratory, radiology, MRI, EKG/EEG, CT Scan, vocational, rehabilitation and other specialized consultations are ordered on an individualized basis to assure optimal utilization of resources. In addition, physician declaration documents will be completed as necessary in preparation for Lanterman-Petris Short (LPS) court proceedings.

F. If a sudden, marked change in client's health or condition, illness, death, serious personal injury or substantial property damage occurs in connection with the performance of this Agreement, Contractor shall immediately notify the County Contract Administrator, by telephone. Contractor shall promptly submit to County a written report in such form as may be required by it of all accidents which occur in connection with the performance of this Agreement. This report must include the following information:

1. Name and address of the injured or deceased person;
2. Name and address of Contractor's subcontractor, if any; and
3. Name and address of Contractor's liability insurance carrier believed to be involved;

Section 164.504(e)(2)(ii)(H)]. BA shall provide to CE a copy of any Protected Information that BA provides to the Secretary concurrently with providing such Protected Information to the Secretary.
- k. **Minimum Necessary.** BA (and its agents or subcontractors) shall request, use and disclose only the minimum amount of Protected Information necessary to accomplish the purpose of the request, use, or disclosure [42 U.S.C. Section 17935(b); 45 C.F.R. Section 164.514(d)(3)]. BA understands and agrees that the definition of "minimum necessary" is in flux and shall keep itself informed of guidance issued by the Secretary with respect to what constitutes "minimum necessary."
- l. **Data Ownership.** BA acknowledges that BA has no ownership rights with respect to the Protected Information.
- m. **Business Associate's Insurance.** Insurance provisions in Paragraph D.5 of the Agreement shall be effective for the Addendum as long as the Agreement is in effect.
- n. **Notification of Breach.** During the term of the Contract, BA shall notify CE within twenty-four (24) hours of any suspected or actual breach of security, intrusion or unauthorized use or disclosure of PHI of which BA becomes aware and/or any actual or suspected use or disclosure of data in violation of any applicable federal or state laws or regulations. BA shall take (i) prompt corrective action to cure any such deficiencies and (ii) any action pertaining to such unauthorized disclosure required by applicable federal and state laws and regulations.
- o. **Breach Pattern or Practice by Covered Entity.** Pursuant to 42 U.S.C. Section 17934(b), if the BA knows of a pattern of activity or practice of the CE that constitutes a material breach or violation of the CE's obligations under the Contract or Addendum or other arrangement, the BA must take reasonable steps to cure the breach or end the violation. If the steps are unsuccessful, the BA must terminate the Contract or other arrangement if feasible, or if termination is not feasible, report the problem to the Secretary of DHHS. BA shall provide written notice to CE of any pattern of activity or practice of the CE that BA believes constitutes a material breach or violation of the CE's obligations under the Contract or Addendum or other arrangement within five (5) days of discovery and shall meet with CE to discuss and attempt to resolve the problem as one of the reasonable steps to cure the breach or end the violation.
- p. **Audits, Inspection and Enforcement.** Within ten (10) days of a written request by CE, BA and its agents or subcontractors shall allow CE to conduct a reasonable inspection of the facilities, systems, books, records, agreements, policies and procedures relating to the use or disclosure of Protected Information pursuant to this Addendum for the purpose of determining whether BA has complied with this Addendum; provided, however, that (i) BA and CE shall mutually agree in advance upon the scope, timing and location of such an inspection, (ii) CE shall protect the confidentiality of all confidential and proprietary information of BA to which CE has access during the course of such inspection; and (iii) CE shall execute a nondisclosure agreement, upon terms mutually agreed upon by the parties, if requested by BA. The fact that CE inspects, or fails to inspect, or has the right to inspect, BA's facilities, systems, books, records, agreements, policies and procedures does not relieve BA of its responsibility to comply with this Addendum, nor does CE's (i) failure to detect or (ii) detection, but failure to notify BA or require BA's remediation of any

unsatisfactory practices, constitute acceptance of such practice or a waiver of CE's enforcement rights under the Contract or Addendum, BA shall notify CE within ten (10) days of learning that BA has become the subject of an audit, compliance review, or complaint investigation by the Office for Civil Rights

3. Termination

- a. **Material Breach.** A breach by BA of any provision of this Addendum, as determined by CE, shall constitute a material breach of the Contract and shall provide grounds for immediate termination of the Contract, any provision in the Contract to the contrary notwithstanding [45 C.F.R. Section 164.504(e)(2)(iii)].
- b. **Judicial or Administrative Proceedings.** CE may terminate the Contract, effective immediately, if (i) BA is named as a defendant in a criminal proceeding for a violation of HIPAA, the HITECH Act, the HIPAA Regulations or other security or privacy laws or (ii) a finding or stipulation that the BA has violated any standard or requirement of HIPAA, the HITECH Act, the HIPAA Regulations or other security or privacy laws is made in any administrative or civil proceeding in which the party has been joined.
- c. **Effect of Termination.** Upon termination of the Contract for any reason, BA shall, at the option of CE, return or destroy all Protected Information that BA or its agents or subcontractors still maintain in any form, and shall retain no copies of such Protected Information. If return or destruction is not feasible, as determined by CE, BA shall continue to extend the protections of Section 2 of this Addendum to such information, and limit further use of such PHI to those purposes that make the return or destruction of such PHI infeasible. [45 C.F.R. Section 164.504(e)(ii)(2)(I)]. If CE elects destruction of the PHI, BA shall certify in writing to CE that such PHI has been destroyed.

4. Indemnification

Indemnification provision in Paragraph D.6 of the Agreement shall be effective for the Addendum as long as the Agreement is in effect.

5. Disclaimer

CE makes no warranty or representation that compliance by BA with this Addendum, HIPAA, the HITECH Act, 42 CFR Part 2 or the HIPAA Regulations will be adequate or satisfactory for BA's own purposes. BA is solely responsible for all decisions made by BA regarding the safeguarding of PHI.

6. Certification

To the extent that CE determines that such examination is necessary to comply with CE's legal obligations pursuant to HIPAA relating to certification of its security practices, CE or its authorized agents or contractors, may, at CE's expense, examine BA's facilities, systems, procedures and records as may be necessary for such agents or contractors to certify to CE the extent to which BA's security safeguards comply with HIPAA, the HITECH Act, the HIPAA Regulations or this Addendum.

7. Amendment

- a. **Amendment to Comply with Law.** The parties acknowledge that state and federal laws relating to data security and privacy are rapidly evolving and that amendment of the Contract of Addendum may be required to provide for procedures to ensure compliance with such developments. The parties specifically agree to take such action as is necessary to implement the standards and requirements of HIPAA, the HITECH Act, the Privacy Rule, the Security Rule and other applicable laws relating to the security or confidentiality of PHI. The parties understand and agree that CE must receive satisfactory written assurance from BA that BA will adequately safeguard all Protected Information. Upon the request of either party, the other party agrees to promptly enter into

CE may terminate the Contract upon thirty (30) days written notice in the event (i) BA does not promptly enter into negotiations to amend the Contract or Addendum when requested by CE pursuant to this Section or (ii) BA does not enter into an amendment to the Contract or Addendum providing assurances regarding the safeguarding of PHI that CE, in its sole discretion, deems sufficient to satisfy the standards and requirements of applicable laws.

- b. **Amendment of Attachment A.** Attachment A may be modified or amended by mutual agreement of the parties at any time without amendment of the Contract or Addendum.

8. Assistance in Litigation of Administrative Proceedings

BA shall make itself, and any subcontractors, employees or agents assisting BA in the performance of its obligations under the Contract or Addendum, available to CE, at no cost to CE, to testify as witnesses, or otherwise, in the event of litigation or administrative proceedings being commenced against CE, its directors, officers or employees based upon a claimed violation of HIPAA, the HITECH Act, the Privacy Rule, the Security Rule, or other laws relating to security and privacy, except where BA or its subcontractor, employee or agent is named adverse party.

9. No Third-Party Beneficiaries

Nothing express or implied in the Contract or Addendum is intended to confer, nor shall anything herein confer, upon any person other than CE, BA and their respective successors or assigns, any rights, remedies, obligations or liabilities whatsoever.

10. Effect on Contract

Except as specifically required to implement the purposes of this Addendum, or to the extent inconsistent with this Addendum, all other terms of the Contract shall remain in force and effect.

11. Interpretation

The provisions of this Addendum shall prevail over any provisions in the Contract that may conflict or appear inconsistent with any provision in this Addendum. This Addendum and the Contract shall be interpreted as broadly as necessary to implement and comply with HIPAA, the HITECH Act, 42 CFR Part 2, the Privacy Rule and the Security Rule. The parties agree that any ambiguity in this Addendum shall be resolved in favor of a meaning that complies and is consistent with HIPAA, the HITECH Act, 42 CFR Part 2, the Privacy Rule and the Security Rule.
