A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE COUNTY OF LASSEN AMENDING THE CONFLICT OF INTEREST CODE OF THE COUNTY OF LASSEN

WHEREAS, the Political Reform Act, Government Code sections 81000, et seq., requires state and local government agencies to adopt and promulgate Conflict of Interest Codes. WHEREAS, recognizing that different positions have different levels of power and responsibility, this Conflict of Interest Code establishes categories of disclosure to which positions are assigned based on the scope of their decision making authority. Positions with no significant decision making responsibility are classified as exempt and are not required to file statements under this code. (Cal. Code Regs., Title 2, § 18730, et seq.; Govt. Consultants:

California Code of Regulations, Title 2, section 18701(a)(2) defines "consultant" as an individual who, pursuant to a contract with a state or local government agency:

- (A) Makes a governmental decision whether to:
 - (i) Approve a rate, rule, or regulation;
 - (ii) Adopt or enforce a law;
 - (iii) Issue, deny suspend, or revoke any permit, license, application, certificate, approval, order or similar authorization or entitlement;
 - (iv) Authorize the agency to enter into, modify, or renew a contract provided it is the type of contract which requires agency approval;
 - (v) Grant agency approval to a contract which requires agency approval and in which the agency is a party or to the specifications for such a contract;
 - (vi) Grant agency approval to a plan, design, report, study, or similar item;

-OR-

(B) Serves in a staff capacity with the agency and in that capacity performs the same or substantially all the same duties for the agency that would otherwise be performed by an individual holding a position specified in the agency's Conflict of Interest Code.

It is not the business or firm providing services to the County that is considered the consultant. The **individual(s)** working for the firm who provide the services are considered the consultants. These individuals must file statements of economic interests based on their **personal** financial interests and are subject to disqualification and other laws affecting public officials.

The Chief Administrative Officer (CAO) may determine in writing that a particular consultant, although a designated position, is hired to perform a range of duties that is limited-in scope and thus is not required to comply fully with the disclosure requirements. Such determination shall

^{**} For Boards/Commissions that rarely meet: Members must file an assuming office statement within 30 days of the first meeting, and thereafter are subject to filing requirements.

^{***} Lassen County appointees only.

include a description of the consultant's duties and, based upon that description, a statement of the extent of disclosure requirements. The CAO's determination is a public record and shall be retained for public inspection in the same manner and location as this Conflict of Interest Code.

Real property shall be deemed to be within the jurisdiction if the property or any part of it is located within or not more than two miles outside the boundaries of the jurisdiction or within two miles of any land owned or used by the local government agency.

Persons shall not be required to disclose property used primarily as their residence or for personal recreational purposes.

"Investment" means any financial interest in or security issued by a business entity, including but not limited to common stock, preferred stock, rights, warrants, options, debt instruments and any partnership or other ownership interest, owned directly, indirectly, or beneficially by the public official, or other filer, or his or her immediate family, if the business entity or any parent, subsidiary or otherwise related business entity has an interest in real property in the jurisdiction, or does business or plans to do business in the jurisdiction, or has done business within the jurisdiction at any time during the two years prior to the time any statement or other action is required under this title. No asset shall be deemed an investment unless its fair market value equals or exceeds two thousand dollars (\$2,000.00). Investments of an individual includes a pro-rata share of investments of any business entity, mutual fund, or trust in which the individual or immediate family owns, directly, indirectly, or beneficially, a ten percent interest or greater. The term "parent, subsidiary or otherwise related business entity" shall be specifically defined by regulations of the commission. (Government Code § 82034.)
