State your qualifications for serving on the above Board, Committee, or Commission:

Although I reside (literally) across the road from the Lassen county line, I swim laps most weekday mornings at the Big Valley Swimming Pool. I so appreciate the opportunity to do so and have a vested interest in maintaining the availability of this valuable community resource. In the past 20+ years, swimming has been an important part of my own health improvement & maintenance, and I've been able to experience a lot of swimming pools as a result. The fact that I am available and willing to serve on this board, coupled with my "swimming experiences" over the years, makes me hope that I may be a helpful member to this board.

Community Activities and Organizational Affiliations:

Adin Community Bible Church

And, I am considering applying to substitute teach at the Big Valley School District this Fall

Reason for desiring to serve on this Board, Committee, or Commission (Please be as specific as possible):

A clean, well-maintained public swimming pool is a huge asset to any community, and my desire is to do all I can to make sure that the Big Valley Swimming Pool continues to operate. And, selfishly, I want to have a place to swim close to my home, and I'm willing to do whatever I can to make sure that I'll always have that.

Please Note that this application is a public document and open for inspection.
