Department of Child Support Services

Recognizing August 2025 as Child Support Awareness Month

Lassen County, California

WHEREAS, children are our most precious resource, and their well-being, safety, and success are essential to the future strength and prosperity of Lassen County; and

WHEREAS, the Lassen County Department of Child Support Services works in partnership with parents, families, community organizations, and the courts to promote the emotional and financial well-being of children by ensuring that parents meet their mutual obligation to provide support; and

WHEREAS, child support services help establish paternity, set fair support orders, and secure financial and medical support for children—services which promote stability, strengthen family connections, and reduce reliance on public assistance; and

WHEREAS, in 2024 alone, the dedicated staff of Lassen County Child Support Services worked tirelessly to assist hundreds of local families, collecting and distributing child support payments that directly improve the quality of life for children; and

WHEREAS, the month of August has been designated nationally and statewide as Child Support Awareness Month, offering an opportunity to increase public understanding of the child support program and to encourage parental involvement in the lives of children; and

WHEREAS, by recognizing Child Support Awareness Month, Lassen County affirms its commitment to ensuring that children receive the love, guidance, and financial support they deserve from both parents;

NOW, THEREFORE, BE IT PROCLAIMED that the Lassen County Board of Supervisors hereby declares August 2025 as Child Support Awareness Month in Lassen County,
