Ian Sims, District Manager
Honey Lake Valley Resource Conservation District
170 Russell Ave., Suite C
Susanville, CA 96130

Dear Mr. Sims:

We want to thank you for attending our meeting and presenting to us the District's planning effort to prepare a storm water resources plan for our area.

We understand from your presentation that a storm water resources plan is necessary pursuant to California Senate Bill No. 985 as a prerequisite to receiving state funding for projects. The plan would identify and prioritize storm water and other projects in the Honey Lake Valley area that may be eligible for those funds.

The Board is pleased to accept your invitation for county staff attendance at your planning meetings. Please feel free to send any meeting announcements to the County Administrative Office at coadmin@co.lassen.ca.us.

Sincerely,

AARON ALBAUGH, Chairman
Lassen County Board of Supervisors
