

California Government Code 53646 requires a statement denoting the ability of a local agency to meet its pool's expenditures for the next six months. To the best of my knowledge, the Lassen County Portfolio Pool has sufficient liquidity to meet its obligations for the next six months.

California Government Code 53646 (B) (2) The quarterly report shall state compliance of the portfolio to the statement of investment policy, or manner in which the portfolio is not in compliance.
