PROGRAM GOAL

The Susanville Police Department is seeking to expand the existing K9 program with the addition of up to four dual purpose K9's. The K9 teams will serve on uniformed patrol for immediate deployment for a variety of needs including narcotics detection, handler protection, and tracking. The Police department is seeking to add additional dual purpose K9's to meet the increasing service needs of the community.

Who are we?

The Susanville Police Officer's Association K9 Program is comprised of officers employed by the Susanville Police Department. Members are focused on building positive interactions with the public to build partnerships with the community they serve.

The City of Susanville

The City of Susanville is the only incorporated city within Lassen County. The city is approximately 8.3 square miles, and the county is approximately 4,700 square miles, the terrain includes trails, backroads, lakes and rivers/streams. The addition of dual-purpose k9's would seek to enhance the services for all of Lassen County.

K9 units are a vital link to community policing and enhancing safety in our neighborhoods.

K9 Zeke

K9 Zeke served the Susanville Police Department from 2019-2025. During his tenure with the department, Zeke aided in nearly 100 arrests, including at least one apprehension, located more than 8 pounds of methamphetamine, over 2 pounds of heroin, and over 500 items of paraphernalia.

How are donations being collected?

Donations made to the K9 program will be tax-deductible and coordinated through the Susanville Police Officer's Association K9 Program, which is a 501(c)(3) non-profit organization. Donations can be mailed to the Susanville Police Officer's Association or made via PayPal. Donors should include "K9 Program" in the memo line on donations made via check or select the K9 Program option in the drop-down menu via PayPal. The QR Code to donate via PayPal is located on the back of this brochure.
