AGENDA
LASSEN COUNTY PLANNING COMMISSION
BOARD OF SUPERVISORS CHAMBERS
707 NEVADA STREET
SUSANVILLE, CA 96130
JULY 2, 2024

1:10 p.m. Convene in Regular Session
Flag Salute
Roll Call
General Update of Planning Activities
Matters Initiated by Commissioners
Correspondence
Presentation by Staff
Approval of Minutes
Matters Initiated by the General Public
Next Resolution in line for adoption: **7-01-24**

1:20 p.m. **PUBLIC HEARING: USE PERMIT #2024-003, Fourth Element Wind LLC,**
The permitting of a temporary meteorological tower to measure wind speed, direction, and other meteorological variables. The tower will be up to 262 feet (79.85 meters) in height. Said tower will be removed no later than five years from the date of approval (if approved), unless a new use permit is secured. For safety, orange marker balls will be mounted on the guywires and if the tower is over 197 feet, FAA approved lighting will be installed. Data collected at the site is being transmitted remotely by cellular or satellite comms to avoid frequent site visits. The project site is zoned T-P-Z (Timber Production Zone District) and is designated "Extensive Agriculture" per the *Lassen County General Plan, 2000*. The project is exempt from CEQA under Section 15306 of the Guidelines. The proposed tower location is 24.9 miles northeast of the intersection of Pittville Rd and Hwy 44, and 59 miles northwest of Susanville. APN 051-100-010. Staff Contact: Matt Oden, Associate Planner.

1:25 p.m. **PUBLIC HEARING: USE PERMIT #2024-004, Fourth Element Wind LLC,**
The permitting of a temporary meteorological tower to measure wind speed, direction, and other meteorological variables. The tower will be up to 262 feet (79.85 meters) in height. Said tower will be removed no later than five years from the date of approval (if approved), unless a new use permit is secured. For safety, orange marker balls will be mounted on the guywires and if the tower is over 197 feet, FAA approved lighting will be installed. Data collected at the site is being transmitted remotely by cellular or satellite comms to avoid frequent site visits. The project site is zoned T-P-Z (Timber Production Zone District) and is designated "Extensive Agriculture" per the *Lassen County General Plan, 2000*. The project is exempt from CEQA under Section 15306 of the Guidelines. The proposed tower location is 16.6 miles northwest of the intersection of Pittville Rd

MCA

and Hwy 44, and 50 miles from Susanville. APN 049-120-003. Staff Contact: Matt Oden, Associate Planner.

1:30 p.m. **PUBLIC HEARING: USE PERMIT #2024-005, Fourth Element Wind LLC,**
The permitting of a temporary meteorological tower to measure wind speed, direction, and other meteorological variables. The tower will be up to 262 feet (79.85 meters) in height. Said tower will be removed no later than five years from the date of approval (if approved), unless a new use permit is secured. For safety, orange marker balls will be mounted on the guywires and if the tower is over 197 feet, FAA approved lighting will be installed. Data collected at the site is being transmitted remotely by cellular or satellite comms to avoid frequent site visits. The project site is zoned T-P-Z (Timber Production Zone District) and is designated “Extensive Agriculture” per the *Lassen County General Plan, 2000*. The project is exempt from CEQA under Section 15306 of the Guidelines. The proposed tower location is 13.65 miles northwest of the intersection of Dow Flat Rd and County Hwy-201, and 39 miles northwest of Susanville. APN 051-110-011. Staff Contact: Matt Oden, Associate Planner.

1:35 p.m. **PUBLIC HEARING: USE PERMIT #2024-006, Fourth Element Wind LLC,**
The permitting of a temporary meteorological tower to measure wind speed, direction, and other meteorological variables. The tower will be up to 262 feet (79.85 meters) in height. Said tower will be removed no later than five years from the date of approval (if approved), unless a new use permit is secured. For safety, orange marker balls will be mounted on the guywires and if the tower is over 197 feet, FAA approved lighting will be installed. Data collected at the site is being transmitted remotely by cellular or satellite comms to avoid frequent site visits. The project site is zoned T-P-Z (Timber Production Zone District) and is designated “Extensive Agriculture” per the *Lassen County General Plan, 2000*. The project is exempt from CEQA under Section 15306 of the Guidelines. The proposed tower location is 16 miles northwest of the intersection of Cleghorn Rd and Hwy 139, and 48 miles northwest of Susanville. APN 051-120-011. Staff Contact: Matt Oden, Associate Planner.

1:40 p.m. **USE PERMIT #2024-007, Fourth Element Wind LLC,** to allow for the permitting of a temporary (less than five years), up to 394 feet in height meteorological tower (wind speed, direction, and other meteorological variables). Said tower will be removed no later than five years from the date of approval (if approved), unless a new use permit is secured. For safety, a solar powered aviation obstruction light is mounted on the top of the tower and high-visibility orange marker balls are mounted on the guywires. FAA-approved lighting will be installed if the tower is over 197 feet in height. Data collected at the site is being transmitted remotely by cellular or satellite communication to avoid frequent site visits. The project site is zoned T-P-Z (Timber Production Zone District) and the land use is designated Extensive Agriculture per the *Lassen County General Plan, 2000*. The project is exempt from CEQA under Section 15306 of the Guidelines.

PLANNING COMMISSION
JULY 2, 2024

lighting will be installed if the tower is over 197 feet in height. Data collected at the site is being transmitted remotely by cellular or satellite communication to avoid frequent site visits. The project site is zoned T-P-Z (Timber Production Zone District) and the land use is designated Extensive Agriculture per the *Lassen County General Plan, 2000*. The project is exempt from CEQA under Section 15306 of the Guidelines. The proposed tower location is approximately 17 miles northwest of Stones Landing, and approximately 44 miles northwest of Susanville. APN 053-010-007. Staff Contact: Mindie Hilton, Associate Planner

2:00 p.m. **PUBLIC HEARING: File # 318.01.70 Special Events**, Amendment to Lassen County Code Title 18 repealing existing Subsection (a)5 of Section 18.102.020 (General district uses) and adding Section 18.102.120 (Special Events) defining and clarifying Special Events. Effective County wide, Staff Contact: Gaylon Norwood, Deputy Director.

ADJOURN

Certain actions of the Commission are appealable to the Board of Supervisors. The appeal period is ten days from the date of the Commission's action. For specific information on appeals, please contact the Lassen County Planning and Building Services Department at 530-251-8269.
