## NATIONAL ASSOCIATION OF COUNTIES

### *Celebrating 45 Years of Recognizing County Innovation!*

The National Association of Counties (NACo) is excited to announce that it is **currently accepting applications for the 2015 Achievement Awards!**

For forty-five years, NACo has recognized innovative programs in county government through the Achievement Awards Program. The awards provide an excellent opportunity for winners to promote their successes to a larger audience and share best practices with their partners and peers.

As a non-competitive awards program, each application is judged on its own merits and not against other applications received. Awards are given in 21 different categories culminating with an awards celebration at the 2015 NACo Annual Conference and Exposition in Mecklenburg County, North Carolina.

For more information on the application process, deadlines and program criteria, please see the promotional materials by [clicking here](#).

We look forward to hearing from you and learning about the outstanding accomplishments of the 3,069 counties across the country!

For more information, please contact, [awards@naco.org](mailto:awards@naco.org).

The National Association of Counties (NACo) is the only national organization that represents county governments in the United States. Founded in 1935, NACo provides essential services to the nation's 3,069 counties. NACo advances issues with a unified voice before the federal government, improves the public's understanding of county government, assists counties in finding and sharing innovative solutions through education and research and provides value-added services to save counties and taxpayers money.
