BOARD OF SUPERVISORS

6**LIVE STREAMING OF PUBLIC MEETINGS**

SUBJECT: Consideration of live streaming and recording public meetings conducted in county facilities including Planning Commission meetings, Lassen Rural Solid Waste Management Authority meetings, and other public meetings. Although Lassen County falls below the population threshold requiring live streaming of public meetings under the Brown Act there are constituents who would like to participate in and remain informed about public meetings but are unable to attend due to meetings being held during normal work hours. Providing live streaming of these meetings would increase public accessibility and transparency by allowing members of the public to view meetings as they occur remotely and when available access recordings at a later time.

FISCAL IMPACT: Unknown.

ACTION REQUESTED: Direct staff to evaluate and implement the necessary procedures and technology to live stream and record public meetings conducted in county facilities including but not limited to the Planning Commission and Lassen Rural Solid Waste Management Authority meetings, subject to applicable legal requirements and available resources.
