SUBJECT: Verbal report on Westwood abatement efforts.

FISCAL IMPACT: None.

ACTION REQUESTED: Receive Report.

Planning and Building Services Director Maurice Anderson reported on the cleanup campaign in Westwood which was initiated by a well-attended town hall meeting held with Supervisor Gallagher. The cleanup effort focused on Garbage, unsafe buildings and non-operational vehicles. The Code Enforcement employees received a welcome reception and residents were coming out to thank them. Supervisor Gallagher wanted to make sure the focus was on the things talked about in the town hall meeting: the vehicles, obvious garbage, and the burned down and unoccupied houses. Supervisor Gallagher wanted to make sure we were not going outside the scope of the real obvious violations and stay within what was talked about in the meetings. Mr. Anderson discussed how fairness is absolutely critical, and pointed out that some of the buildings that are historic happen to be the most dangerous. Mr. Anderson also stated that he has an obligation to point out what is unsafe and is bound by law to identify and tag it. Mr. Anderson further stated that it has been difficult but the building code is very specific on what constitutes a dangerous building. The goal of Planning and Building is not to write tickets but to encourage compliance. Additional discussion was held.

Supervisor Hemphill was absent from 11:49 a.m. - 11:50 a.m.

PLANNING

SUBJECT: Consider an amendment to Lassen County Code Section 3.18.021 (Planning Department fees for surface mining and related activities) to include in the "Annual Surface Mine Administration and Operations Monitoring Fee" a minimum fee amount of \$1,000 per site and a maximum fee amount of \$3,850 per site, regardless of mining status. As the County fee is currently calculated as a percentage of the State fee (75%), a set County fee maximum per site will prevent continual increases due to ongoing increases to the State fee maximum.

ACTION REQUESTED: 1) Receive report; and 2) Introduce Ordinance and read (or waive the reading).

FISCAL IMPACT: None. The revenue generated by this fee is expected to

remain consistent with previous years.

The addition of Chapter 2.14 of the Lassen County Code will also be considered to define the Planning and Building Services Director.
