Aaron Albaugh, Chairman
Lassen County Board of Supervisors
220 South Lassen St., Suite 5
Susanville, CA 96130

Dear Chairman Albaugh:

The Lassen Land and Trail Trust wants to thank Lassen County for its support of the Paiute Meadows Trail Run this year on May 13th. The use of the County's facilities (parking lot and trails) at the Susanville Ranch Park along with substantial help from the County Public Works Department and Sheriff's Office were instrumental in making the race a success this year. I would like to specifically commend Matt Mc Lain and Tony Shaw for their efforts with this event. Last, but not least, the Lassen Land and Trails Trust greatly appreciated Supervisor Chris Gallagher's \$250.00 cash sponsorship for the race this year.

The race could not have occurred without the help of many local individual volunteers and organizations. The following organizations should be recognized for their help in supplying the volunteers that made the race possible, the Lassen High School Inter-Act Club, the Sunrise and Noon Rotary Clubs, the Boy Scout Troop 405, the Job's Daughters, the BLM AmeriCorps, and the Lassen Radio Club.

We had 213 race participants this year. Last year approximately 1/3 of the race participants were from Susanville and surrounding communities, and the other 2/3s were from out of town. Most of the out of town race participants stayed in local motels and ate at local restaurants during the event. Everyone enjoyed the various races and activities. The community spirit and enthusiasm for our region's trails were felt by all who participated in the races that day.

Once again, we enjoyed working with you and hope to have many more opportunities to do so in the future.

Sincerely,

Tim Garrod
President
