Doug, as you probably know, POST has suspended reimbursements for attending training courses until **Dec 31, 2017**. However, as outlined in POST Bulletin **2017-23**, a good number of courses are exempt from the reimbursement ban.

Please open this link for POST Bulletin 2017-23 and research the **class title** and **course number** of the class you attended. **If it's on the exempt list**, then your agency will be able to recover costs for **travel and per diem only**, no tuition costs, though. You can then submit a TRR (Training Reimbursement Request form to POST for travel and per diem expenses).
