Discussion

The Lassen County Office of Emergency Services was awarded \$33,894 via the Homeland Security Grant Program of 2017 for the specific purpose of water and rope rescue equipment. This equipment will be used and maintained by the Sheriff's Office. This purchase is specific to rescuer personnel floatation devices and gear bags for rescue equipment storage.

Prices are as follows:

Personal Floatation Device:

LN Curtis	20 @ \$128.95	\$2,579
NRS	20 @ \$129.95	\$2,599
Campsaver	20 @ \$129.95	\$2,599

CMC Gear Bag

LN Curtis	10 @ \$75.80	\$758
The Fire Store	10 @ \$82.00	\$820
Cop Quest	10 @ \$82.60	\$826

Based upon the quotes received I request authorization to purchase from LN Curtis.

This purchase combined with others exceeds the \$25,000 per vendor per fiscal year threshold established in the county purchasing policy and requires Board of Supervisors approval.

Fiscal Impact:

\$3,578.93 Total (tax included) from Fund 185. Expenses fully reimbursed by the 2017 Homeland Security Grant Program.

Recommendation: That the Board of Supervisors authorize the purchase of personal floatation devices and gear bags from LN Curtis for \$3578.93
