

RESOLUTION NO. _____

RESOLUTION OF THE BOARD OF SUPERVISORS, COUNTY OF LASSEN, TO APPROVE THE WORK AND FINANCIAL PLAN FOR COOPERATIVE SERVICE AGREEMENT NUMBER 18-73-06-0257-RA BETWEEN THE COUNTY OF LASSEN AND UNITED STATES DEPARTMENT OF AGRICULTURE ANIMAL AND PLANT HEALTH INSPECTION SERVICE-WILDLIFE SERVICES AND TO AUTHORIZE THE COUNTY ADMINISTRATIVE OFFICER TO EXECUTE THE PLAN AND AGREEMENT FOR FISCAL YEAR 2018/19

WHEREAS, a United States Department of Agriculture Wildlife Damage Management Program has been in existence in the County of Lassen as far back as 1916; and

WHEREAS, this program provides protection, through technical assistance, of natural resources, livestock, crops, property, and private citizens, within the County of Lassen, from predators and other nuisance wildlife; and

WHEREAS, the performance of wildlife damage management actions by the Wildlife Services under this agreement is contingent upon a determination by Wildlife Services that such actions are in compliance with the National Environmental Policy Act, Endangered Species Act, and any other applicable environmental statutes.

NOW, THEREFORE, BE IT RESOLVED, by the Board of Supervisors of the County of Lassen that:

1. The foregoing recitals are adopted as findings of the Board of Supervisors as set forth fully herein.
2. The Board of Supervisors approves Work and Financial Plan Agreement Number 18-73-06-0257-RA between the County of Lassen and the United States Department of Agriculture Animal and Plant Health Services-Wildlife Services and authorizes the County Administrative Officer of the Board to execute the Plan and Agreement for Fiscal Year 2018/19 in the amount of \$83,950.00.
3. The Board of Supervisors hereby concurs with the Environmental Review Officer that the approval of this resolution is exempt from the California Environmental Quality Act (CEQA) under Sections 15061(b)(3), 15307, and 15308 of the CEQA Guidelines, each of which stands as a separate and independent basis for determining that the Plan and Agreement are exempt from CEQA.
4. The Board of Supervisors further finds that none of the exceptions to the use of an exemption found at Section 15300.2 of the CEQA Guidelines are applicable in regard to the Plan and Agreement and therefore would not preclude the use of (a) categorical exemption(s) for the Plan and Agreement.
5. The Board of Supervisors hereby directs the Environmental Review Officer to file a Notice of Exemption with the County Clerk of the County of Lassen within twenty-four (24) hours after the adoption of this Resolution.

Resolution No. _____

6. The Board of Supervisors hereby directs the County Clerk, upon receipt of said Notice of Exemption, to post the Notice of Exemption in conformance with Section 15062 of the CEQA Guidelines.

Project Description: The Work and Financial Plan to be conducted from July 1, 2018 through June 30, 2019 defines the objectives, plan of action, resources, and budget for the maintenance of an Integrated Wildlife Damage (IWDM) program. The purpose of the IWDM program, as described in Cooperative Service Agreement Number 18-73-06-0257-RA, is to protect residents, property, livestock, crops, and natural resources from damage caused by predators and other nuisance wildlife.

Exempt Status:

1. ☐ Ministerial (Sec.21080(b)(1); 15268);
2. ☐ Declared Emergency (Sec.21080(b)(3); 15269(a));
3. ☐ Emergency Project (Sec.21080(b)(4); 15269(b)(c));
4. ☒ Categorical Exemption. State type and section number: 15307 and 15308
5. ☐ Statutory Exemptions. State type and section number:
6. ☒ Other: 15061(b)(3), "General Rule" Exemption;

Reason why project is exempt:

The Lassen County Environmental Review Officer has determined that the Work and Financial Plan and Cooperative Service Agreement for the IWDM is exempt from the California Environmental

Quality Act (CEQA) under Sections 15061(b)(3), 15307, and 15308 of the Guidelines, each of which stands as a separate and independent basis for determining that the IWDM is exempt from CEQA.

Said sections state the following, respectively:

A project is exempt from CEQA if... the activity is covered by the general rule that CEQA applies only projects, which have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA.

Class 7 consists of an action taken by regulatory agencies as authorized by state law or local ordinance to assure the maintenance, restoration, or enhancement of a natural resource where the regulatory process involves procedures for the protection of the environment.

Class 8 consists of an action taken by regulatory agencies as authorized by state law or local ordinance to assure the maintenance, restoration, or enhancement of the environment where the regulatory process involves procedures for the protection of the environment.

The IWDM is also exempt from CEQA pursuant to the Class 7 and Class 8 categorical exemptions because the program is enacted by a regulatory agency to protect livestock, crops, human health and safety and property from wildlife damage. Additionally, the financial plan covers a one year period, while the IWDM program has been in operation for more than a century.
