**State your qualifications for serving on the above Board, Committee, or Commission:**

My career consisted of numerous years as an Administrative Officer. During this time I gained extensive experience organizing programs, projects, and teams. I have participated on countless teams both as a team leader and as a team player. I organized and initiated numerous statewide programs. I have experience and knowledge working with budgets, timelines, diverse groups, and I really enjoy getting projects organized and accomplished.

**Community Activities and Organizational Affiliations:**

Currently serving my second (and final) year on the Grand Jury.

Member of the Lassen County Cattlewomen and the Lassen County Farm Bureau.

Member of the Doyle Days Committee.

**Reason for desiring to serve on this Board, Committee, or Commission:**

I am a 4th generation Lassen County native - born and raised in Doyle.

As far back as I can remember, I always loved going to "the Fair". I was a 4-H member showing and entering many items at the Fair. I feel that my community and career experience will help me be a productive member of this board as I am a team player and can lead a team if needed. I also feel that the Fair is a big piece of what helps define Lassen County; what we are and what we do, and I'd like to be a part of helping to paint that picture. I understand the effects that budget constraints, public input, regulations, etc., can have on operations and I'd like to offer any assistance that I can to help make the Lassen County Fair the best portrayal of a great local County Fair. I also understand that not everything about the Fair is related to agriculture and find it a very interesting challenge to mesh the diversity of Fair attendees to the diversity of the Fair activities so that each individual attending has an overall enjoyment of every facet the Fair has to offer.
