- B. Pursuant to this Agreement, County Workers may only use Medi-Cal PII to perform administrative functions related to administration of the child support enforcement program.
- C. Access to Medi-Cal PII shall be restricted to County Workers who need to perform their official duties to assist in the administration of the child support enforcement program.
- D. County Workers who access, disclose or use Medi-Cal PII in a manner or for a purpose not authorized by this Agreement may be subject to civil and criminal sanctions contained in applicable federal and state statutes.

II. PERSONNEL CONTROLS

The LCSA shall advise County Workers who have access to Medi-Cal PII, of the confidentiality of the information, the safeguards required to protect the information, and the civil and criminal sanctions for non-compliance contained in applicable federal and state laws. For that purpose, the LCSA shall implement the following personnel controls:

- A. **Employee Training.** Train and use reasonable measures to ensure compliance with the requirements of this Agreement by County Workers, including, but not limited to:
- 1) Provide initial privacy and security awareness training to each new County Worker within 30 days of employment and;
 - 2) Thereafter, provide annual refresher training or reminders of the privacy and security safeguards in this Agreement to all County Workers. Three or more security reminders per year are recommended;
 - 3) Maintain records indicating each County Worker's name and the date on which the privacy and security awareness training was completed;
 - 4) Retain training records for a period of three years after completion of the training.
- B. **Employee Discipline.**
- 1) Provide documented sanction policies and procedures for County Workers who fail to comply with privacy policies and procedures or any provisions of these requirements.
 - 2) Sanction policies and procedures shall include termination of employment when appropriate.
- C. **Confidentiality Statement.** Ensure that all County Workers sign a confidentiality statement. The statement shall be signed by County Workers prior to accessing Medi-Cal PII and annually thereafter. Signatures may be physical or electronic. The signed statement shall be retained for a period of three years.
- The statement shall include at a minimum:
- 1) General Use;
 - 2) Security and Privacy Safeguards;
 - 3) Unacceptable Use; and

4) Enforcement Policies.

D. Background Screening.

- 1) Conduct a background screening of a County Worker before they may access Medi-Cal PII.
- 2) The background screening should be commensurate with the risk and magnitude of harm the employee could cause. More thorough screening shall be done for those employees who are authorized to bypass significant technical and operational security controls.
- 3) The LCSA shall retain each County Worker's background screening documentation for a period of three years following conclusion of employment relationship.

III. MANAGEMENT OVERSIGHT AND MONITORING

To ensure compliance with the privacy and security safeguards in this Agreement the LCSA shall perform the following:

- A. Conduct periodic privacy and security review of work activity by County Workers, including random sampling of work product. Examples include, but are not limited to, access to case files or other activities related to the handling of Medi-Cal PII.
- B. The periodic privacy and security reviews must be performed or overseen by management level personnel who are knowledgeable and experienced in the areas of privacy and information security in the administration of the child support enforcement program, and the use or disclosure of Medi-Cal PII.

IV. INFORMATION SECURITY AND PRIVACY STAFFING

The LCSA shall:

- A. Designate information security and privacy officials who are accountable for compliance with these and all other applicable requirements stated in this Agreement.
- B. Assign county workers to be responsible for administration and monitoring of all security related controls stated in this Agreement.

V. PHYSICAL SECURITY

The LCSA shall ensure Medi-Cal PII is used and stored in an area that is physically safe from access by unauthorized persons at all times. The LCSA

shall safeguard Medi-Cal PII from loss, theft, or inadvertent disclosure and, therefore, shall:

- A. Secure all areas of the LCSA facilities where County Workers assist in the administration of child support enforcement program and use, disclose, or store Medi-Cal PII.
- B. These areas shall be restricted to only allow access to authorized individuals by using one or more of the following:
 - 1) Properly coded key cards
 - 2) Authorized door keys
 - 3) Official identification
- C. Issue identification badges to County Workers.
- D. Require County Workers to wear these badges where Medi-Cal PII is used, disclosed, or stored.
- E. Ensure each physical location, where Medi-Cal PII is used, disclosed, or stored, has procedures and controls that ensure an individual who is terminated from access to the facility is promptly escorted from the facility by an authorized employee and access is revoked.
- F. Ensure there are security guards or a monitored alarm system at all times at the LCSA facilities and leased facilities where 500 or more individually identifiable records of Medi-Cal PII is used, disclosed, or stored. Video surveillance systems are recommended.
- G. Ensure data centers with servers, data storage devices, and/or critical network infrastructure involved in the use, storage, and/or processing of Medi-Cal PII have perimeter security and physical access controls that limit access to only authorized County Workers. Visitors to the data center area must be escorted at all times by authorized County Workers.
- H. Store paper records with Medi-Cal PII in locked spaces, such as locked file cabinets, locked file rooms, locked desks, or locked offices in facilities which are multi-use meaning that there are LCSA and non-LCSA functions in one building in work areas that are not securely segregated from each other. It is recommended that all Medi-Cal PII be locked up when unattended at any time, not just within multi-use facilities.
- I. The LCSA shall have policies that include, based on applicable risk factors, a description of the circumstances under which the County Workers can transport Medi-Cal PII, as well as the physical security requirements during transport. An LCSA that chooses to permit its County Workers to leave records unattended in vehicles must include provisions in its policies to provide the Medi-Cal PII is stored in a non-visible area such as a trunk, that the vehicle is locked, and under no circumstances permit Medi-Cal PII be left unattended in a vehicle overnight or for other extended periods of time.

- J. The LCSA shall have policies that indicate County Workers are not to leave records with Medi-Cal PII unattended at any time in airplanes, buses, trains, etc., including baggage areas. This should be included in training due to the nature of the risk.

VI. TECHNICAL SECURITY CONTROLS

- A. **Workstation/Laptop Encryption.** All workstations and laptops, which use, store and/or process Medi-Cal PII, must be encrypted using a FIPS 140-2 certified algorithm 128 bit or higher, such as Advanced Encryption Standard (AES). The encryption solution must be full disk. It is encouraged, when available and when feasible, that the encryption be 256 bit.
- B. **Server Security.** Servers containing unencrypted Medi-Cal PII must have sufficient administrative, physical, and technical controls in place to protect that data, based upon a risk assessment/system security review. It is recommended to follow the guidelines documented in the latest revision of the National Institute of Standards and Technology (NIST) Special Publication (SP) 800-53, Security and Privacy Controls for Federal Information Systems and Organizations.

- 1) All workstations, laptops and other systems, which process and/or store Medi-Cal PII, must have critical security patches applied, with system reboot if necessary.
 - 2) There must be a documented patch management process that determines installation timeframe based on risk assessment and vendor recommendations.

- 3) At a maximum, all applicable patches deemed as critical must be installed within 30 days of vendor release. It is recommended that critical patches which are high risk be installed within seven days.
- 4) Applications and systems that cannot be patched within this time frame, due to significant operational reasons, must have compensatory controls implemented to minimize risk.

G. *User IDs and Password Controls.*

 - a) Upper case letters (A-Z)
 - b) Lower case letters (a-z)
 - c) Arabic numerals (0-9)
 - d) Special characters

H. *User Access.* In conjunction with DHCS, management should exercise control and oversight, of the function of authorizing individual user access to Social Security Administration (SSA) data, Medi-Cal Eligibility Data System (MEDS), and over the process of issuing and maintaining access control numbers, IDs, and passwords.

- I. **Data Destruction.** When no longer needed, all Medi-Cal PII must be cleared, purged, or destroyed consistent with NIST SP 800-88, Guidelines for Media Sanitization, such that the Medi-Cal PII cannot be retrieved.

 - 4) Users shall log off the system immediately if they do not agree with these requirements.
- L. **System Logging.**
 - 1) The systems which provide access to Medi-Cal PII must maintain an automated audit trail that can identify the user or system process which initiates a request for Medi-Cal PII, or alters Medi-Cal PII.
 - 2) The audit trail shall:
 - a) Be date and time stamped;
 - b) Log both successful and failed accesses;
 - c) Be read-access only; and
 - d) Be restricted to authorized users.
 - 3) If Medi-Cal PII is stored in a database, database logging functionality shall be enabled.
 - 4) Audit trail data shall be archived for at least three years from the occurrence.
- M. **Access Controls.** The system providing access to Medi-Cal PII shall use role based access controls for all user authentications, enforcing the principle of least privilege.

N. *Transmission Encryption.*

- 1) All data transmissions of Medi-Cal PII outside of a secure internal network must be encrypted using a FIPS 140-2 certified algorithm that is 128 bit or higher, such as AES or TLS. It is encouraged, when available and when feasible, that 256-bit encryption be used.
- 2) Encryption can be end to end at the network level, or the data files containing Medi-Cal PII can be encrypted.
- 3) This requirement pertains to any type of Medi-Cal PII in motion such as website access, file transfer, and email.

- O. *Intrusion Prevention.*** All systems involved in accessing, storing, transporting, and protecting Medi-Cal PII, which are accessible through the Internet, must be protected by an intrusion detection and prevention solution.

VII. AUDIT CONTROLS

A. *System Security Review.*

- 1) The LCSA must ensure audit control mechanisms are in place.
- 2) All systems processing and/or storing Medi-Cal PII must have at least an annual system risk assessment/security review that ensures administrative, physical, and technical controls are functioning effectively and provide an adequate level of protection.
- 3) Reviews should include vulnerability scanning tools.

- B. *Log Reviews.*** All systems processing and/or storing Medi-Cal PII must have a process or automated procedure in place to review system logs for unauthorized access.

- C. *Change Control.*** All systems processing and/or storing Medi-Cal PII must have a documented change control process that ensures separation of duties and protects the confidentiality, integrity and availability of data.

- D. *Anomalies.*** When the LCSA or DHCS suspects MEDS usage anomalies, the LCSA shall work with DCSS and DHCS to investigate the anomalies and report conclusions of such investigations and remediation to DCSS and DHCS.

VIII. BUSINESS CONTINUITY / DISASTER RECOVERY CONTROLS

- A. **Emergency Mode Operation Plan.** The LCSA must establish a documented plan to enable continuation of critical business processes and protection of the security of Medi-Cal PII kept in an electronic format in the event of an emergency. Emergency means any circumstance or situation that causes normal computer operations to become unavailable for use in performing the work required under this Agreement for more than 24 hours. It is recommended that counties conduct periodic disaster recovery testing, including connectivity exercises conducted with DHCS, if requested.
- B. **Data Centers.** Data centers with servers, data storage devices, and critical network infrastructure involved in the use, storage and/or processing of Medi-Cal PII, must include environmental protection such as cooling, power, and fire prevention, detection, and suppression.
- C. **Data Backup Plan.**

 - 2) The documented backup procedures shall contain a schedule which includes incremental and full backups.
 - 3) The procedures shall include storing backups offsite.
 - 4) The procedures shall ensure an inventory of backup media. It is recommended that the LCSA periodically test the data recovery process.

IX. PAPER DOCUMENT CONTROLS

- A. **Supervision of Data.** Medi-Cal PII in paper form shall not be left unattended at any time, unless it is locked in a file cabinet, file room, desk or office. Unattended means that information may be observed by an individual not authorized to access the information.
- B. **Data in Vehicles.** The LCSA shall have policies that include, based on applicable risk factors, a description of the circumstances under which the County Workers can transport Medi-Cal PII, as well as the physical security requirements during transport. A LCSA that chooses to permit its County Workers to leave records unattended in vehicles must include provisions in its policies to provide the Medi-Cal PII is stored in a non-visible area such as a trunk, that the vehicle is locked, and under no circumstances permit Medi-Cal PII be left unattended in a vehicle overnight or for other extended periods of time.

- C. **Public Modes of Transportation.** Medi-Cal PII in paper form shall not be left unattended at any time in airplanes, buses, trains, etc., including baggage areas. This should be included in training due to the nature of the risk.

X. NOTIFICATION AND INVESTIGATION OF BREACHES AND SECURITY INCIDENTS

During the term of this Agreement, the DCSS and LCSA shall implement reasonable systems for the discovery and prompt reporting of any Breach or Security Incident, and to take the following steps:

A. Initial Notice to DHCS:

Immediately upon discovery of a suspected security incident that involves data provided to DHCS by the SSA, the LCSA shall notify DCSS and DHCS by email or telephone. If DCSS receives notification of a breach or security incident from the LCSA involving data provided to DHCS by the SSA, DCSS shall also immediately notify DHCS by e-mail or telephone.

Within one working day of discovery, the LCSA shall notify DCSS and DHCS by email or telephone of unsecured PHI or PI, if that PHI or PI was, or is, reasonably believed to have been accessed or acquired by an unauthorized person, any suspected security incident, intrusion, or unauthorized access, use, or disclosure of Medi-Cal PII in violation of this Agreement, or potential loss of confidential data affecting this Agreement. If DCSS receives such notice from the LCSA, DCSS shall immediately and no later than within one working day of its receipt of the LCSA's notice notify DHCS of the security incident. Notice shall be made using the "DHCS Privacy Incident Report" (PIR) form, including all information known at the time. The LCSA and/or DCSS shall use the most current version of this form, which is posted on the DHCS Privacy Office website (www.dhcs.ca.gov, select "Privacy & HIPAA" and then "County Use") or use this link:

<http://www.dhcs.ca.gov/formsandpubs/laws/priv/Pages/CountiesOnly.aspx>.

Initial, Investigation, and Completed PIRs are submitted to the DHCS Privacy Office and the DHCS Information Security Office.

A breach shall be treated as discovered by the LCSA as of the first day on which the breach is known, or by exercising reasonable diligence would have been known, to any person (other than the person committing the breach), who is an employee, officer or other agent of the LCSA. Notice shall be provided to the DHCS Privacy Office and the DHCS Information Security Office as well as the DCSS Information Security Office.

Upon discovery of a breach, security incident, intrusion, or unauthorized access, use, or disclosure of Medi-Cal PII, the LCSA and DCSS shall take:

- 1) Prompt corrective action to mitigate any risks or damages involved with the breach and to protect the operating environment; and
- 2) Any action pertaining to such unauthorized disclosure required by applicable Federal and State laws and regulations.

B. Investigation and Investigative Report. The LCSA shall immediately investigate breaches and security incidents involving Medi-Cal PII, and, if the initial PIR did not include all of the information marked with an asterisk, or if new or updated information is available, submit an updated PIR **within 72 hours of the discovery**. The updated PIR shall include all of the information marked with an asterisk, and all other applicable information listed on the form, to the extent known at that time.

C. Complete Report. If all of the required information was not included in either the initial report, or the investigation report, then a separate complete report must be submitted **within ten working days of the discovery**. The Complete Report of the investigation shall include an assessment of all known factors relevant to a determination of whether a breach occurred under applicable provisions of HIPAA, the HITECH Act, the HIPAA

regulations and/or state law. The report shall also include a full, detailed corrective action plan, including information on measures that were taken to halt and/or contain the improper use or disclosure. If DHCS requests information in addition to that listed on the PIR, the LCSA shall make reasonable efforts to provide DHCS with such information. If necessary, a Supplemental Report may be used to submit revised or additional information after the Completed Report is submitted, by submitting the revised or additional information on an updated PIR. DHCS will review and approve or disapprove the determination of whether a breach occurred, and if individual notifications and corrective action plans are required.

- D. **Notification of Individuals.** When applicable state or federal law requires DHCS to notify individuals of a breach or unauthorized disclosure of their Medi-Cal PII, the following provisions apply: If the cause of the breach is attributable to the LCSA or its subcontractors, agents or vendors, the LCSA shall pay any costs of such notifications, as well as any and all costs associated with the breach. The notifications shall comply with the requirements set forth in California Civil Code Section 1798.29, and 42 U.S.C. section 17932, and its implementing regulations, including but not limited to the requirement that the notifications be made without unreasonable delay and in no event later than 60 calendar days. The DHCS Privacy Office shall approve the time, manner and content of any such notifications and their review and approval must be obtained before notifications are made. DHCS may elect to assign responsibility for such notification to the LCSA. In the event DHCS assigns notification responsibility to the LCSA, DHCS shall provide the LCSA with the appropriate direction and procedures to ensure notice is provided pursuant to applicable law. If the cause of the breach is attributable to DHCS, DHCS shall pay any costs associated with such notifications. If there is any question as to whether DHCS or the LCSA is responsible for the breach, DHCS and the LCSA shall jointly determine responsibility for purposes of allocating the costs of such notices.
- E. **Responsibility for Reporting of Breaches when Required by State or Federal Law.** If the cause of a breach of Medi-Cal PII is attributable to the LCSA or its agents, subcontractors or vendors, the LCSA is responsible for reporting the breach and all costs associated with the breach. If the cause of the breach is attributable to DHCS, DHCS is responsible for reporting the breach and for all costs associated with the breach. When applicable law requires the breach be reported to a federal or state agency or that notice be given to media outlets, DHCS and the LCSA shall coordinate to ensure such reporting is in compliance with applicable law and to prevent duplicate reporting, and to jointly determine responsibility for purposes of allocating the costs of such reports, if any.
- F. **DHCS and DCSS Contact Information.** To direct communications to the above referenced DCSS and DHCS staff, the LCSA shall initiate contact as indicated herein. DCSS and DHCS reserve the right to make changes to the

contact information below by giving written notice to the LCSA. Said changes shall not require an amendment to this Agreement to which it is incorporated.

XI. COMPLIANCE WITH SSA AGREEMENT

The LCSA shall comply with substantive privacy and security requirements in the Computer Matching and Privacy Protection Act Agreement between the SSA and the California Health and Human Services Agency (CHHS) and in the Agreement between SSA and DCSS, known as the Information Exchange Agreement (IEA), which are appended and hereby incorporated in to this Agreement (Exhibit A). The specific sections of the IEA with substantive privacy and security requirements, which are to be complied with by the LCSA are in the following sections: E, Security Procedures; F, Contractor/Agent Responsibilities; G, Safeguarding and Reporting Responsibilities for PII, and in Attachment 4, Electronic Information Exchange Security Requirements and Procedures for State and Local Agencies Exchanging Electronic Information with SSA. If there is any conflict between a privacy and security standard in these sections of the IEA and a standard in this Agreement, the most stringent standard shall apply. The most stringent standard means the standard which provides the greatest protection to Medi-Cal PII.

If SSA changes the terms of its agreement(s) with DHCS, DHCS will, as soon as reasonably possible after receipt, supply copies to DCSS as well as the DHCS proposed target date for compliance. For a period of 30 days, DHCS will accept input from DCSS on the proposed target date and make adjustments, if appropriate. After the 30-day period, DHCS will submit the

proposed target date to SSA, which will be subject to adjustment by SSA. Once a target date for compliance is determined by SSA, DHCS will supply copies of the changed agreement to the DCSS and the LCSAs, along with the compliance date expected by SSA. If an LCSA is not able to meet the SSA compliance date, it must submit Corrective Action Plan (CAP) to DHCS for review and approval at least 30 days prior to the SSA compliance date.

XIII. LCSA'S AGENTS AND SUBCONTRACTORS

The LCSA shall enter into written agreements with any agents, including subcontractors and vendors, to whom LCSA provides Medi-Cal PII received from or created or received by LCSA in performing functions or activities related to the administration of the child support enforcement program that impose the same restrictions and conditions on such agents, subcontractors and vendors that apply to the LCSA with respect to Medi-Cal PII, including restrictions on disclosure of Medi-Cal PII and the use of appropriate administrative, physical, and technical safeguards to protect such Medi-Cal PII. The LCSA shall incorporate, when applicable, the relevant provisions of this Agreement into each subcontract or sub-award to such agents, subcontractors and vendors, including the requirement that any breach, security incident, intrusion, or unauthorized access, use, or disclosure of Medi-Cal PII be reported to the LCSA.

XIV. ASSESSMENTS AND REVIEWS

In order to enforce this Agreement and ensure compliance with its provisions, the LCSA shall allow DHCS and/or DCSS to inspect the facilities, systems, books, and records of the LCSA, with reasonable notice from DHCS and/or DCSS, in order to perform assessments and reviews. Such inspections shall be scheduled at times that take into account the operational and staffing demands. The LCSA agrees to promptly remedy any violation of any provision of this Agreement and certify the same to the DHCS Privacy Office, DHCS Information Security Office and DCSS Information Security Office in writing, or to enter into a written corrective action plan with DHCS containing deadlines for achieving compliance with specific provisions of this Agreement.

If assessments and reviews are performed by DCSS, DCSS agrees to use the review questionnaire to be provided by DHCS.

XV. ASSISTANCE IN LITIGATION OR ADMINISTRATIVE PROCEEDINGS

In the event of litigation or administrative proceedings involving DHCS based upon claimed violations by the LCSA of the privacy or security of Medi-Cal PII, or federal or state laws or agreements concerning privacy or security of Medi-Cal PII, the DCSS and LCSA shall make all reasonable effort to make itself and County Workers assisting in the administration of the child support program and using or disclosing Medi-Cal PII available to DHCS at no cost to DHCS to testify as witnesses. DHCS shall also make all reasonable efforts to make itself and any subcontractors, agents, and employees available to the LCSA at no cost to

DCSS and the LCSA to testify as witnesses, in the event of litigation or administrative proceedings involving DCSS or the LCSA based upon claimed violations by DHCS of the privacy or security of Medi-Cal PII, or state or federal laws or agreements concerning privacy or security of Medi-Cal PII.

XVI. AMENDMENT OF AGREEMENT

DHCS and DCSS acknowledge that federal and state laws relating to data security and privacy are rapidly evolving and that amendment of this Agreement may be required to provide for procedures to ensure compliance with such developments. Upon request by DHCS, DCSS agrees to promptly enter into negotiations concerning an amendment to this Agreement as may be needed by developments in federal and state laws and regulations. DHCS may terminate this Agreement upon thirty (30) days written notice if DCSS does not promptly enter into negotiations to amend this Agreement when requested to do so, or does not enter into an amendment that DHCS deems necessary.

XVII. TERMINATION

This Agreement shall terminate on September 30, 2019, regardless of the date the Agreement is executed by the parties. The parties can agree in writing to extend the term of the Agreement; DCSS requests for an extension must be justified to and accepted by DHCS and limited to no more than a three-month extension. Such an extension may, upon DCSS request and DHCS approval, be renewed for one additional three-month period. Regardless of the extension status, all provisions of this Agreement that provide restrictions on disclosures of Medi-Cal PII and that provide administrative, technical, and physical safeguards for the Medi-Cal PII in the LCSA's possession shall continue in effect beyond the termination of the Agreement, and shall continue until the Medi-Cal PII is destroyed or returned to DHCS.

XVIII. TERMINATION FOR CAUSE

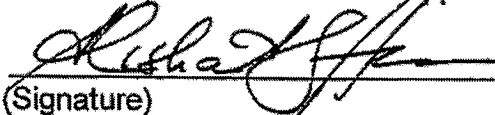

Upon DHCS' knowledge of a material breach or violation of this Agreement by the LCSA, DHCS may provide an opportunity for the LCSA to cure the breach or end the violation and may terminate this Agreement if the LCSA does not cure the breach or end the violation within the time specified by DHCS. This Agreement may be terminated immediately by DHCS if the LCSA has breached a material term and DHCS determines, in its sole discretion, that cure is not possible or available under the circumstances. Upon termination of this Agreement, the LCSA must destroy all PII in accordance with Section VII, above. The provisions of this Agreement governing the privacy and security of the PII shall remain in effect until all PII is destroyed and DHCS receives a certificate of destruction.
