Re: Lassen County Veterans Day Celebration on Sunday November 11, 2018
Subject: Request for Resolution recognizing all who served the United States in all wars,
especially Veterans

Dear Chairman Gallagher:

The Lassen County Veterans organizations comprising the American Legion and the Veterans of Foreign Wars will be hosting our annual Veterans Day parade and special ceremony on Sunday, November 11, 2018 at the Veterans Memorial Building in Susanville, CA. The parade will begin as always, at the National Guard Armory at 1100 hours and proceed from the gate down Fair Drive to Main Street and up to the Veterans Memorial Building. The special ceremony will be held upstairs in the Veterans Memorial Building following the parade, and a free luncheon is provided downstairs afterwards.

Veterans Day in the United States: In the United States of America, Veterans Day traditionally falls on November 11, the anniversary of the signing of the armistice ending World War I.

The Veteran organizations are requesting the Lassen County Supervisors prepare and present at the ceremony on Sunday, November 11th, a resolution recognizing all those who have served the United States of America in all wars, especially our Veteran citizens.

The Veterans wish to thank you and the rest of the board for their past support of this event and their dedication to the interests of Veterans. If you have any questions, please feel free to call me at (530) 250-5574.

Thank you once again for consideration and support.

Very Sincerely,

Kimball Medders

Proclamation

HONORING

VETERANS DAY 2016

- Whereas,** this year marks the 102nd Anniversary of the start of the First World War, which ended with the first "Armistice" observance on the 11th hour, of the 11th day, of the 11th month in 1918; and,
- Whereas,** as a Nation facing the world of Global Terrorism in the 21st Century, the **Veterans** of that First World War are but a memory and the dangers we face today are very different from those faced in prior wars; and,
- Whereas,** loyal citizens from every corner of **America** have assumed the duty of military life, from World War I and World War II; to the conflicts in Korea, Vietnam, the Persian Gulf and the ongoing battles in the War on Terror in Iraq and Afghanistan; our military has built a great tradition of courageous and faithful service; and,
- Whereas,** our Founding Fathers pledged their property and their lives for the cause of Freedom and their struggle to be **free**; so today all of our citizens should never forget the sacrifice commitment we have as a nation to those who have served their county, their state and their nation.

Now, Therefore Be It Resolved, by the Board of Supervisors of the County of Lassen, that the service of **Our Veterans** be always commended, as we pay tribute to those who are serving and have served their nation in a time of need.

The foregoing Proclamation was adopted at a Regular Meeting of the Board of Supervisors, County of Lassen, State of California, held on the 25th day of October, 2016 at Susanville, California.
