2018/304

November 13, 2018

TO: Board of Supervisors
FROM: Larry Millar, Director
SUBJECT: Surplus 1992 Ford Ranger (P-33) to Lassen County Waterworks District 1

RECOMMENDATION: That the Board of Supervisors authorize the Public Works Department to surplus a 1992 Ford Ranger (P-33) to Lassen County Waterworks District 1.

DISCUSSION: The Road Department has recently replaced a 1992 Ford Ranger (P-33), which is in a usable fair condition.

The Lassen County Waterworks District 1 (Bieber) has requested that the County consider the surplus/sale of this vehicle to the Lassen County Waterworks District 1 for a price of \$500.00. See attached letter.

This price is consistent with what could be expected if this truck was sold in a local surplus sale.

The Department recommends that we surplus/sale this vehicle to the Lassen County Waterworks District 1.

The Lassen County Waterworks District 1 agrees to accept this vehicle as is and understands that the Public Works Department is not responsible for any future repairs or maintenance.

ALTERNATIVES: Not approve

FINANCIAL IMPACT: \$500.00 revenue to the Road Budget, Fund 122-1221.

OTHER AGENCY INVOLVEMENT: Lassen County Waterworks District 1

DEPARTMENTAL APPROVAL:

A handwritten signature in blue ink, appearing to read "Larry D. Millar", written over a horizontal line.

REVIEWED FOR AGENDA:

Lassen County Waterworks District I

PO Box 363

Bieber, California

530-294-5524

October 1, 2018

Lassen County Waterworks District I, is a small Water and Sewer District located in Bieber. The District is funded and runs solely on revenue from water and sewer rates from the local residents within the District service area. LCWD has one vehicle for carrying out District functions and duties. This pick up is a valuable asset to the District. The only problem with it is that it is only two-wheel drive. A four-wheel drive vehicle would be nice for winter conditions.

The Lassen County Road Department has a 1992 Ford Ranger that they are willing to part with. It would be a great asset to the Water District to be able to obtain this vehicle to carry out field work as well as other District duties.

Lassen County Waterworks District I would like to offer Lassen County Road Department \$500.00, Five Hundred and 00/xx for the purchase of said vehicle. These funds could be transferred from LCWD account directly to County Road Department account as it has been done in the past. It would then be the responsibility of Lassen County Waterworks to handle and pay for the title transfer, and the ongoing insurance for this vehicle.

Thank you very much for your consideration.

Sincerely, Lassen County Waterworks District I

Board of Directors

Danny White, Chairman

Rich Fitzner, Vice Chairman

Richard Patak, Member

Jennifer Thompson, Member

Tammy Babcock, Member
