TO: Board of Supervisors

FROM: Larry Millar, Director

SUBJECT: Equipment Surplus and Sale

RECOMMENDATION: That the Board of Supervisors 1) Authorize the Public Works/Road Department to proceed with the surplus and sale of various heavy equipment 2) Authorize the Public Works Director to sign the Contract to Auction with Ritchie Bros. Auctioneers (America) Inc.

DISCUSSION: The Road Department would like to surplus the following equipment which has been replaced and is not feasible to upgrade to current CARB requirements:

1978 Hyster Roller (R-7)
1982 Ford F-700 Dump Truck (TD-9): Vin. No. 1FDXK74N5CVA52198
1982 Ford F-700 Dump Truck (TD-10): Vin. No. 1FDXK74N7CVA52190

We would like to surplus the noted equipment and enter into an Agreement with Ritchie Bros. Auctioneers (America) Inc. to sell. Ritchie Bros. Auctioneers are one of the leading auctioneers for used heavy equipment and trucks. Their auctions are advertised around the world and their auctions allow both on-site and on-line bidding. The County has been successful in using Ritchie Bros. in the past. We are hoping to be able to make their December 2018 public auction.

The Road Department looked into the possibility of selling these surplus items as scrap and/or by selling through an open bid process however the values we would be able to receive would be fractional of what we could expect to receive through Ritchie Bros. Auctioneers

It is estimated that our equipment would sell for approximately \$8,000.

ALTERNATIVES: Not approve

FINANCIAL IMPACT: Anticipated revenue to the Road Department Operating Budget Fund 122-1221 in the estimated amount of \$8,000.00.

OTHER AGENCY INVOLVEMENT: None
