TO: Board of Supervisors

FROM: Larry Millar, Director

SUBJECT: Sixth Amendment to Agreement Between Lassen County and Morrison Structures, Inc.-Skyline Road Extension

RECOMMENDATION: That the Board of Supervisors 1) approve the Sixth Amendment with Morrison Structures, Inc. 2) Authorize the Public Works Director to sign.

DISCUSSION: The Road Department is in the process of the construction of Skyline Road Extension which will connect Skyline Road East at Johnstonville Road to SR 36 east of the City of Susanville. A major component of this project is the construction of a bridge over Susan River. Morrison Structures, Inc. was hired to complete the design of the bridge structure as well as being available during the bidding and construction phases of the project to provide professional engineering services for the bridge structure.

This Sixth Amendment extends the term of the agreement through June 30, 2020 to include the anticipated construction schedule and increases the cost for construction engineering by a not-to-exceed amount of \$32,555 to include on-call inspection services for the bridge structure.

ALTERNATIVE: Not Approve.

FINANCIAL IMPACT: The additional cost for this Sixth Amendment is \$32,555 which makes the maximum amount payable under this multi-year contract \$137,005. Funding is available within the Road Construction Budgets 122-1222 where 100% Highway Bridge Funding is available for reimbursement.

OTHER AGENCY INVOLVEMENT: None
