Dean F. Growdon
Sheriff - Coroner

To: Lassen County Board of Supervisors

From: Dean F. Growdon, Sheriff-Coroner

Date: April 23, 2019

Agenda Date: May 14, 2019

Discussion:

In 2002, the Lassen County Sheriff's Office received an armored vehicle from Amador County. The armored vehicle had previously been donated to Amador County by Armored Transport of California. Amador County no longer had a need for the vehicle and they transferred ownership to Lassen County at no cost.

This armored vehicle has been in use by the Lassen County Sheriff's Office since 2002 and has been used in multiple high risk situations including warrant service, barricaded subjects, hostage situations, and civilian rescues.

The Lassen County Sheriff's Office has been successful in acquiring two armored vehicles that are four wheel drive and offer additional ballistic protection. These vehicles were acquired through the U.S. Department of Defense 1033 Program. One had been in use by Placer County and was transferred to Lassen County, and the second was acquired from Sierra Army Depot. Based on the acquisition of these two more capable armored vehicles, the 1990 Ford armored vehicle is no longer needed by Lassen County.

Modoc County has no armored vehicle and would like Lassen County to transfer ownership of the 1990 Ford armored vehicle to them.

Since Lassen County acquired the vehicle at no cost from Amador County, I believe it is appropriate to pass it on to Modoc County at no cost.

Fiscal Impact:

There will be no fiscal impact.

Recommendation:

That the Board of Supervisors declare a 1990 Ford armored vehicle to be surplus, and approve the transfer of ownership of the vehicle to Modoc County.
