2019/283

November 19, 2019

TO: Board of Supervisors
FROM: Larry Millar, Director
SUBJECT: Award bid for Tires for the Public Works Department (Road Division)

RECOMMENDATION: Award bid for Tires for Road Division, for the period of November 1, 2019 through October 31, 2020, to Lassen Tire, Susanville, CA, the lowest bidder meeting specifications.

DISCUSSION: Formal bidding procedures were completed with a bid opening date of October 31, 2019. A total of four (4) bid packages were sent out with bids being received from Carlson's Tire Pros and Auto, Susanville; Lassen Tire, Susanville; and Les Schwab Tires, Susanville.

The bid from Carlson's Tire Pros and Auto was determined to be non-responsive as they did not bid brand name tires as was specified in the bid documents. The bids from both Lassen Tire and Les Schwab were determined to meet the specifications. It is recommended that the award be made to Lassen Tire who was determined to be the low bidder.

This tire bid provides for a set cost for each size tire the Road Department may need to purchase within the specified time period.

ALTERNATIVES: Not award the bid.

FINANCIAL IMPACT: Funding is budgeted within the Road Budget, Fund 122-1221. Estimated annual cost of \$60,000.

OTHER AGENCY INVOLVEMENT: None

DEPARTMENTAL APPROVAL:
