Subject: Resolution establishing Pledge of Revenue for Financial Assurance on the Eagle Lake Pit, CA Mine ID# 91-18-0031, in the amount of \$25,000.

RECOMMENDATION: That the Board of Supervisor's approve Resolution No. 20-____, "Resolution Establishing Pledge of Revenue For Eagle Lake Pit (ca mine id#91-18-0031) To Satisfy Requirements Of Section 2773.1 Public Resources Code For Financial Assurance To Reclaim Open Pit Mines."

DISCUSSION: The Road Department is in the process of reclaiming an open pit mine known as Eagle Lake Pit, CA Mine 91-18-0031, located off Eagle Lake Road, County Road A-1, near Spaulding Tract.

The existing Pledge of Revenue for this site needs to be revised to reflect the recently approved cost estimate, in the amount of \$10,715.19 for the 2019 Financial Assurance Cost Estimate (FACE). The current Pledge of Revenue for this pit can be greatly reduced since this site has been closed to where the only needed financial assurance is for annual monitoring and any corrective work.

It is recommended that the current required Pledge of Revenue for the Eagle Lake Pit be increased to \$20,000 to provide some capacity for minor changes in future Financial Assurances Cost Estimates.

The attached Resolution replaces the current Pledge of Revenue for the Eagle Lake Pit, Resolution 09-048 which was approved on September 8, 2009 in the amount of \$196,722.23. Overall decrease of approximately \$177,000.

ALTERNATIVES: Do not approve financial assurance.

FINANCIAL IMPACT: A Pledge of Revenue from the Road Fund 122 for financial assurance for the reclamation plan on the Eagle Lake Pit in the amount of \$20,000.

OTHER AGENCY INVOLVEMENT: None
