**Subject:** Agreement with Department of Health Care Services to Provide Drug Medi-Cal Organized Delivery System

### Background:

In August 2015, the Centers for Medicare and Medicaid Services approved a section 1115 waiver allowing California to implement a demonstration project to dramatically expand, improve, and reorganize its system for treating people with substance use disorder (SUD). This 1115 waiver demonstration project has become the Drug Medi-Cal Organized Delivery System (DMC-ODS) pilot program. Participation in the pilot program requires that counties provide access to a full continuum of SUD services modeled after the American Society of Addiction Medicine (ASAM) criteria. As of August 2019, 30 counties have implemented providing services under the DMC-ODS program.

In November 2017, Partnership HealthPlan of California (PHC), Lassen County, and seven other Northern California counties submitted a DMC-ODS Implementation Plan, now known as the Wellness & Recovery Program, to identify and provide covered DMC-ODS services for each counties' eligible beneficiaries under the oversight of PHC.

This agreement authorizes Lassen County to opt into the DMC-ODS pilot project and authorizes funding for providing covered DMC-ODS services in Lassen County's service area. A separate agreement between Lassen County and PHC that details the responsibilities that PHC will manage for Lassen County's participation in the regional model will be brought before the Board for review and approval.

### Fiscal Impact:

There is no impact to County General Fund. This is a Revenue Agreement.

### Action Requested:

1) Approve the Agreement; and 2) authorize the CAO to execute the Agreement.

**Budget Detail and Payment Provisions**

**Part I - General Fiscal Provisions**

**Section 1 - General Fiscal Provisions**

**A. Fiscal Provisions**

For services satisfactorily rendered, and upon receipt and approval of documentation as identified in Exhibit A, Attachment I, Article III, the Department of Health Care Services (DHCS or the Department) agrees to compensate the Contractor for actual expenditures incurred in accordance with the rates and/or allowable costs specified herein in accordance with Medicaid reimbursement requirements as specified in Title XIX of the Social Security Act, Drug Medi-Cal Organized Delivery System (DMC-ODS) Special Terms and Conditions (STCs), and STCs' Attachments including the Certified Public Expenditure protocol.

**B. Use of State General Funds**

The Contractor may not use allocated DMC-ODS state general funds to pay for any non-Drug Medi-Cal Program services.

**C. Funding Authorization**

The Contractor shall bear the responsibility for providing any substance use disorder (SUD) services covered by this Agreement.

**D. Availability of Funds**

It is understood that, for the mutual benefit of both parties, this Agreement may have been written before ascertaining the availability of congressional appropriation of funds in order to avoid program and fiscal delays that would occur if this Agreement were not executed until after that determination. In this event, DHCS may amend the amount of funding provided for in this Agreement based on the actual congressional appropriation.

**E. Subcontractor Funding Limitations**

The Contractor shall reimburse the subcontractor that receives a combination of DMC-ODS funding and other federal or county realignment funding for the same service element and location based on the subcontractor's actual costs and its managed care plan subcontractors based on the Per Utilizer Per Month (PUPM) rate, in accordance with Medicaid reimbursement requirements as specified in Title XIX of the Social Security Act, DMC-ODS STCs, and STCs' Attachments including the Certified Public Expenditure protocol.

**Exhibit B**  
**Budget Detail and Payment Provisions**

**F. Budget Contingency Clause**

It is mutually agreed that if the Budget Act of the current year and/or any subsequent years covered under this Agreement does not appropriate sufficient funds for the program, this Agreement shall be of no further force and effect. In this event, DHCS shall have no liability to pay any funds whatsoever to the Contractor or to furnish any other considerations under this Agreement and the Contractor shall not be obligated to perform any provisions of this Agreement.

If funding for any fiscal year is reduced or deleted by the Budget Act for purposes of this program, DHCS shall solely have the option to either cancel this Agreement with no liability occurring to DHCS, or offer an amended agreement to the Contractor to reflect the reduced amount.

**G. Payment Contingency Clause**

It is mutually agreed that reimbursement under this Agreement is contingent upon and must be in accordance with CMS' approval of the DMC-ODS Regional Model Certified Public Expenditure protocol.

**H. Expense Allowability/Fiscal Documentation**

1. Invoices received from the Contractor that are accepted and/or submitted for payment by DHCS shall not be deemed evidence of allowable Agreement costs.
  2. The Contractor shall maintain for review and audit, and supply to DHCS upon request, adequate documentation of all expenses claimed pursuant to this Agreement to permit a determination of expense allowability.
  3. If the allowability or appropriateness of an expense cannot be determined by DHCS because invoice detail, fiscal records, or backup documentation is nonexistent or inadequate according to generally accepted accounting principles, and generally accepted governmental audit standards, all questionable costs may be disallowed and additional payments may be withheld by DHCS. Upon receipt of adequate documentation supporting a disallowed or questionable expense, reimbursement may resume for the amount substantiated and deemed allowable.
  4. Costs and/or expenses deemed unallowable shall not be reimbursed or, if mistakenly reimbursed, those costs and/or expenses shall be subject to recovery by DHCS pursuant to Article III.DD of Exhibit A, Attachment I, the DMC-ODS STCs, and the STCs' Attachments.

**Budget Detail and Payment Provisions**

**Section 2 - General Fiscal Provisions - DMC-ODS**

**A. Return of Unexpended Funds**

**B. Amendment or Cancellation Due to Insufficient Appropriation**

This Agreement is valid and enforceable only if sufficient funds are made available to DHCS by the United States Government for the purpose of the DMC-ODS program. It is mutually agreed that if the Congress does not appropriate sufficient funds for this program, DHCS solely has the option to void this Agreement or to amend the Agreement to reflect any reduction of funds.

**C. Exemptions**

Exemptions to the provisions of Item B above of this Exhibit, may be granted by the California Department of Finance provided that the Director of DHCS certifies in writing that federal funds are available for the term of the Agreement.

**D. Allowable Costs**

Allowable costs, as defined and in accordance with the DMC-ODS STCs and the STCs' Attachments including the Certified Public Expenditure protocol, shall be determined in accordance with Title 42, Code of Federal Regulations (CFR), Chapter IV, Subchapter B, Parts 405 and 413, and the Centers for Medicare and Medicaid Services (CMS) Medicare Provider Reimbursement Manual (CMS Publication Number 15), which can be obtained from CMS at [www.cms.hhs.gov](http://www.cms.hhs.gov).

The PUPM rate shall be the amount specified in Exhibit B, Part V. The payment period for DMC-ODS services shall commence on the first day of operations, as determined by DHCS. DHCS shall reimburse the Contractor based upon its certified public expenditures for allowable costs, including OTP/NTP services.

Payments made by the Contractor to the subcontractor at the interim PUPM rate shall be reconciled to the subcontractor's actual allowable costs in accordance with the procedures outlined in the CMS-approved Certified Public Expenditure protocol.

**Exhibit B**  
**Budget Detail and Payment Provisions**

- F. If DHCS creates a new aid code that is split or derived from an existing aid code covered under this Agreement, and the aid code has a neutral revenue effect for the Contractor, then the split aid code will automatically be included in the same aid code group as the original aid code covered under this Agreement. Contractor agrees to continue providing DMC-ODS services to Medi-Cal beneficiaries at the monthly PUPM rate specified for the original aid code. DHCS shall confirm all aid code splits, and the rates of payment for such new aid codes, in writing to the Contractor as soon as practicable after such aid code splits occur.
- G. DHCS shall approve the PUPM rate for the initial implementation period or the Agreement effective date. The Contractor shall make a redetermination of the PUPM rate after a minimum of 18 months from the effective date of the Agreement, which shall be subject to DHCS review and approval. All payments and rate adjustments are subject to appropriations of funds by the state legislature and approval by the California Department of Finance. Further, all payments are subject to the availability of federal congressional appropriation of funds.

3. The funds identified for the fiscal years covered under this Section, within this Exhibit, are subject to change depending on the availability and amount of funds appropriated by the state legislature and the federal government. The amount of funds available for expenditure by the Contractor shall be limited to the amount identified in the final allocations issued by DHCS for that fiscal year. Changes to allocated funds will require a written amendment to the Agreement.
4. In the event a written amendment to this Agreement is required pursuant to the preceding paragraph, Contractor shall submit to DHCS information as identified in Exhibit E, Section 1(D). To the extent the Contractor is notified of DHCS Budget Act allocation prior to the execution of the Agreement, DHCS and the Contractor may agree to amend the agreement after the issuance of the first revised allocation.
5. By November 1<sup>st</sup> following the close of each fiscal year, the Contractor shall submit a CMS approved Regional County DMC-ODS Cost Report in a form and manner prescribed by DHCS. The Regional County DMC-ODS Cost Report shall calculate the allowable cost for DMC-ODS services rendered by county operated providers for the reporting fiscal year.
6. By December 31<sup>st</sup> following the close of each fiscal year, the Contractor shall submit a PUPM Reconciliation Report in a form and manner prescribed by DHCS. 7. The Contractor shall make additional payments to the subcontractor if the final PUPM rate payments exceed the interim PUPM rate payments or recoup funds

**Exhibit B**  
**Budget Detail and Payment Provisions**

from the subcontractor if the interim PUPM rate payments exceed the final PUPM rate payments. The additional payment or recoupment shall equal the difference between the final PUPM rate and the interim PUPM rate multiplied by the total monthly utilizers.

8. The Contractor shall return to DHCS the federal and state share of the amount recouped from the subcontractor pursuant to paragraph 5 using the allocation percentages assigned to each beneficiary's aid code group.
9. DHCS shall reimburse the Contractor the federal and state share of additional payments made to the subcontractor after the PUPM rate reconciliation based on a reconciliation of PUPM payments, encounter data, and actual allowable costs.

**Section 2 - DMC-ODS**

- A. To the extent that the Contractor provides the covered services, in accordance with the terms and conditions of this Agreement, DHCS agrees to pay the Contractor federal Medicaid funds according to Article III of Exhibit A, Attachment I. Subject to the availability of such funds, the Contractor shall receive federal Medicaid funds and/or state general funds for allowable expenditures as established by the federal government and approved by DHCS, for the cost of covered services rendered to beneficiaries based on the PUPM rates set forth in this Exhibit B.
- B. Any payment for covered services rendered shall only be made pursuant to applicable provisions of Title XIX or Title XXI of the Social Security Act, the Welfare and Institutions (W&I) Code, the Health and Safety Code (HSC), the DMC-ODS STCs and the STCs' Attachments including the Certified Public Expenditure protocol, and this Agreement.
- C. It is understood and agreed that failure by the Contractor, its subcontractor, or network providers to comply with applicable federal and state requirements in rendering covered services shall be sufficient cause for DHCS to deny payments, to recover payments, and/or terminate the Contractor, its subcontractor, or network providers from DMC-ODS program participation. If DHCS or the Department of Health and Human Services (HHS) disallows or denies payments for any claim, the Contractor shall repay to DHCS the federal Medicaid funds and/or State General Funds it received for all claims so disallowed or denied. The overpayment shall be recovered by any of the methods allowed in Division 9, Part 3, Chapter 7, Article 5.3 of the W&I Code and DMC-ODS STC 147(h)(vi).
- D. Before a denial, recoupment, or disallowance is made, DHCS shall provide the Contractor with written notice of its proposed action. Such notice shall include the reason for the proposed action and allow the Contractor 60 calendar days to submit additional information before the proposed action is taken. This requirement does not

apply to the DMC-ODS Post Service Post Payment Utilization Reviews.

- E. DHCS shall refund to the Contractor any recovered federal DMC-ODS overpayment that is subsequently determined to have been erroneously collected, together with interest, in accordance with Division 9, Part 3, Chapter 7, Article 5.3 of the W&I Code.
- F. Claims submitted to the Contractor by the subcontractor, and claims submitted to the subcontractor by the network providers, that are not certified or whose certification has been suspended pursuant to the W&I Code section 14107.11 or 42 CFR 455.23, shall not be certified or processed for federal or state reimbursement by the Contractor. Payments for any DMC-ODS services shall be held by the Contractor until the payment suspension is resolved.
- G. DHCS shall reimburse the Contractor for covered services based on the Contractor's certified public expenditures.
- H. DHCS shall reimburse the Contractor the state general fund and/or federal Medicaid fund amount of the approved DMC-ODS claims and documents submitted in accordance with Article III of Exhibit A, Attachment I.

However, reimbursement paid by a county to an OTP/NTP provider for services provided to any person subject to Penal Code Sections 1210.1 or 3063.1 and for which the individual client is not liable to pay, does not constitute a usual or customary charge to the general public for the purpose of this section (W&I Code Section 14021.51(h)(2)(A)).
- J. After reviewing the actual costs incurred, DHCS will adjust subsequent reimbursements to the Contractor to actual allowable costs. Actual allowable costs are defined in the CMS Medicare Provider Reimbursement Manual (CMS-Publication15), which is available at [www.cms.hhs.gov](http://www.cms.hhs.gov).
- K. The Contractor, its subcontractor, and network providers must accept, as payment in full, the amounts paid by DHCS in accordance with the DMC-ODS STCs and the STCs' Attachments. The Contractor, its subcontractor, and network providers may not demand any additional payment from DHCS, beneficiaries, or other third party payers.
- L. The Contractor shall require its subcontractor, and require the subcontractor to require its network providers, to comply with 45 CFR 162.410(a)(1) for any subpart that would be a covered health care provider if it were a separate legal entity. For purposes of this paragraph, a covered health care provider shall have the same definition as covered entity set forth in 45 CFR 160.103. DHCS shall make payments for covered services only if the Contractor is in compliance with federal regulations.

- C. Unannounced visits to the Contractor and/or its subcontractors may be made at the discretion of DHCS.
- D. The refusal of the Contractor, its subcontractor, or network providers to permit access to, and inspection of, electronic or print books and records, physical facilities, and/or refusal to permit interviews with employees, as described in this part, constitutes an express and immediate material breach of this Agreement and will be sufficient basis to terminate the Agreement for cause or default.
- E. Reports of audits conducted by DHCS shall reflect all findings, recommendations, adjustments, and corrective action as a result of its finding in any areas.

**Exhibit B**  
**Budget Detail and Payment Provisions**

**Section 2 - DMC-ODS Financial Audits**

- A. In addition to the audit requirements set forth in Exhibit D(F), DHCS may also conduct financial audits of DMC-ODS programs including Contractor and any of its subcontractors or network providers, to accomplish any of, but not limited to, the following audit objectives:

- B. In addition to the audit requirements set forth in Exhibit D(F), DHCS may conduct financial audits of NTP programs. For NTP services, the audits will address items A(3) through A(5) above, except that the comparison of the provider's usual and customary charge in A(3) will be to the DMC USDR rate in lieu of DMC-ODS cost per unit. In addition, these audits may include, but not be limited to:
1. NTP providers that are required to submit a cost report pursuant to W&I Code Section 14124.24 must determine and document their costs allocation methodology between the NTP and other service modalities, and between the DMC-ODS and other funding sources in accordance with applicable costs reimbursement principles in 42 CFR part 413, CMS-Pub 15-1, 2 CFR part 200 Subpart E, and CMS non-institutional reimbursement policy.

  6. A review of supporting service, time, financial, and patient records to verify the validity of counseling claims.
- C. The Contractor shall be responsible for any disallowances taken by the federal government, DHCS, or the Bureau of State Audits as a result of any audit exception that is related to its responsibilities. The Contractor shall not use funds administered by DHCS to repay one federal funding source with funds provided by another federal funding source, or to repay federal funds with state funds, or to repay state funds with federal funds.
- D. The Contractor agrees to promptly develop and implement any corrective action plans in a manner acceptable to DHCS in order to comply with recommendations contained in any audit report. Such corrective action plans shall include time-specific objectives to allow for measurement of progress and are subject to verification by DHCS within six months from the date of the plan.
- E. The Contractor, in coordination with DHCS, shall provide follow-up on all significant findings in the audit report, including findings relating to a subcontractor, and submit the results to DHCS.

Such notices shall state the Contractor's obligation under the law to take affirmative action to employ and advance in employment qualified applicants without discrimination based on their race, color, religion, sex, national origin physical or mental handicap, disability, age or status as a disabled veteran or veteran of the Vietnam era and the rights of applicants and employees.

- (2) DHCS MAKES NO WARRANTY THAT THE INTELLECTUAL PROPERTY RESULTING FROM THIS AGREEMENT DOES NOT INFRINGE UPON ANY PATENT, TRADEMARK, COPYRIGHT OR THE LIKE, NOW EXISTING OR SUBSEQUENTLY ISSUED.

**g. Intellectual Property Indemnity**

- (1) Contractor shall indemnify, defend and hold harmless DHCS and its licensees and assignees, and its officers, directors, employees, agents, representatives, successors, and users of its products, ("Indemnitees") from and against all claims, actions, damages, losses, liabilities (or actions or proceedings with respect to any thereof), whether or not rightful, arising from any and all actions or claims by any third party or expenses related thereto (including, but not limited to, all legal expenses, court costs, and attorney's fees incurred in investigating, preparing, serving as a witness in, or defending against, any such claim, action, or proceeding, commenced or threatened) to which any of the Indemnitees may be subject, whether or not Contractor is a party to any pending or threatened litigation, which arise out of or are related to (i) the incorrectness or breach of any of the representations, warranties, covenants or agreements of Contractor pertaining to Intellectual Property; or (ii) any Intellectual Property infringement, or any other type of actual or alleged infringement claim, arising out of DHCS' use, reproduction, manufacture, sale, offer to sell, distribution, import, export, modification, public and private performance/display, license, and disposition of the Intellectual Property made, conceived, derived from, or reduced to practice by Contractor or DHCS and which result directly or indirectly from this Agreement. This indemnity obligation shall apply irrespective of whether the infringement claim is based on a patent, trademark or copyright registration that issued after the effective date of this Agreement. DHCS reserves the right to participate in and/or control, at Contractor's expense, any such infringement action brought against DHCS.
- (2) Should any Intellectual Property licensed by the Contractor to DHCS under this Agreement become the subject of an Intellectual Property infringement claim, Contractor will exercise its

authority reasonably and in good faith to preserve DHCS' right to use the licensed Intellectual Property in accordance with this Agreement at no expense to DHCS. DHCS shall have the right to monitor and appear through its own counsel (at Contractor's expense) in any such claim or action. In the defense or settlement of the claim, Contractor may obtain the right for DHCS to continue using the licensed Intellectual Property; or, replace or modify the licensed Intellectual Property so that the replaced or modified Intellectual Property becomes non-infringing provided that such replacement or modification is functionally equivalent to the original licensed Intellectual Property. If such remedies are not reasonably available, DHCS shall be entitled to a refund of all monies paid under this Agreement, without restriction or limitation of any other rights and remedies available at law or in equity.

- (3) Contractor agrees that damages alone would be inadequate to compensate DHCS for breach of any term of this Intellectual Property Exhibit by Contractor. Contractor acknowledges DHCS would suffer irreparable harm in the event of such breach and agrees DHCS shall be entitled to obtain equitable relief, including without limitation an injunction, from a court of competent jurisdiction, without restriction or limitation of any other rights and remedies available at law or in equity.

#### **h. Federal Funding**

In any agreement funded in whole or in part by the federal government, DHCS may acquire and maintain the Intellectual Property rights, title, and ownership, which results directly or indirectly from the Agreement; except as provided in 37 Code of Federal Regulations part 401.14; however, the federal government shall have a non-exclusive, nontransferable, irrevocable, paid-up license throughout the world to use, duplicate, or dispose of such Intellectual Property throughout the world in any manner for governmental purposes and to have and permit others to do so.

This provision does not apply to necessary staff meetings or training sessions held for the staff of the Contractor or Subcontractor to conduct routine business matters.

### **14. Confidentiality of Information**

- a. The Contractor and its employees, agents, or subcontractors shall protect from unauthorized disclosure names and other identifying information concerning persons either receiving services pursuant to this Agreement or persons whose names or identifying information become available or

are disclosed to the Contractor, its employees, agents, or subcontractors as a result of services performed under this Agreement, except for statistical information not identifying any such person.

- b. The Contractor and its employees, agents, or subcontractors shall not use such identifying information for any purpose other than carrying out the Contractor's obligations under this Agreement.
- c. The Contractor and its employees, agents, or subcontractors shall promptly transmit to the DHCS Program Contract Manager all requests for disclosure of such identifying information not emanating from the client or person.
- d. The Contractor shall not disclose, except as otherwise specifically permitted by this Agreement or authorized by the client, any such identifying information to anyone other than DHCS without prior written authorization from the DHCS Program Contract Manager, except if disclosure is required by State or Federal law.
- e. For purposes of this provision, identity shall include, but not be limited to name, identifying number, symbol, or other identifying particular assigned to the individual, such as finger or voice print or a photograph.
- f. As deemed applicable by DHCS, this provision may be supplemented by additional terms and conditions covering personal health information (PHI) or personal, sensitive, and/or confidential information (PSCI). Said terms and conditions will be outlined in one or more exhibits that will either be attached to this Agreement or incorporated into this Agreement by reference.

#### **16. Dispute Resolution Process**

- a. A Contractor grievance exists whenever there is a dispute arising from DHCS' action in the administration of an agreement. If there is a dispute or grievance between the Contractor and DHCS, the Contractor must seek resolution using the procedure outlined below.
  - (1) The Contractor should first informally discuss the problem with the DHCS Program Contract Manager. If the problem cannot be resolved informally, the Contractor shall direct its grievance together with any evidence, in writing, to the program Branch Chief. The grievance shall state the issues in dispute, the legal authority or other basis for the Contractor's position and the remedy sought. The Branch Chief shall render a decision within ten (10) working days after receipt of the written grievance from the Contractor. The Branch Chief shall respond in writing to the Contractor indicating the decision and reasons therefore. If the Contractor disagrees with the Branch Chief's decision, the Contractor may appeal to the second level.
  - (2) When appealing to the second level, the Contractor must prepare an appeal indicating the reasons for disagreement with Branch Chief's decision. The Contractor shall include with the appeal a copy of the Contractor's original statement of dispute along with any supporting evidence and a copy of the Branch Chief's decision. The appeal shall be addressed to the Deputy Director of the division in which the branch is organized within ten (10) working days from receipt of the Branch Chief's decision. The Deputy Director of the division in which the branch is organized or his/her designee shall meet with the Contractor to review the issues raised. A written decision signed by the Deputy Director of the division in which the branch is organized or his/her designee shall be directed to the Contractor within twenty (20) working days of receipt of the Contractor's second level appeal.

- b. If the Contractor wishes to appeal the decision of the Deputy Director of the division in which the branch is organized or his/her designee, the Contractor shall follow the procedures set forth in Health and Safety Code Section 100171.
- c. Unless otherwise stipulated in writing by DHCS, all dispute, grievance and/or appeal correspondence shall be directed to the DHCS Program Contract Manager.
- d. There are organizational differences within DHCS' funding programs and the management levels identified in this dispute resolution provision may not apply in every contractual situation. When a grievance is received and organizational differences exist, the Contractor shall be notified in writing by the DHCS Program Contract Manager of the level, name, and/or title of the appropriate management official that is responsible for issuing a decision at a given level.

The audit shall be completed by the 15th day of the fifth month following the end of the Contractor's fiscal year, **and/or**
  - (2) ***If the Contractor is a nonprofit organization (as defined in H&S Code Section 38040) and receives less than \$25,000 per year from any State agency under a direct service contract or agreement,*** the Contractor agrees to obtain a biennial single, organization wide financial and compliance audit, unless there is evidence of fraud or other violation of state law in connection with this Agreement. This audit does not fulfill the audit requirements of Paragraph c(3) below. The audit shall be completed by the 15th day of the fifth month following the end of the Contractor's fiscal year, **and/or**
  - (3) ***If the Contractor is a State or Local Government entity or Nonprofit organization (as defined by 2 C.F.R. §§ 200.64, 200.70, and 200.90) and expends \$750,000 or more in Federal awards,*** the Contractor agrees to obtain an annual single, organization wide, financial and compliance audit according to the requirements specified in 2 C.F.R. 200.501 entitled "Audit Requirements". An audit conducted pursuant to this provision will fulfill the audit requirements outlined in Paragraphs c(1) and c(2) above. The audit shall be completed by the end of the ninth month following the end of the audit period. The requirements of this provision apply if:

The DHCS program funding this Agreement must provide advance written approval of the specific amount allowed for said audit expenses.
- f. The State or its authorized designee, including the Bureau of State Audits, is responsible for conducting agreement performance audits which are not financial and compliance audits. Performance audits are defined by Generally Accepted Government Auditing Standards.
- g. Nothing in this Agreement limits the State's responsibility or authority to enforce State law or regulations, procedures, or reporting requirements arising thereto.
- h. Nothing in this provision limits the authority of the State to make audits of this Agreement, provided however, that if independent audits arranged for by the Contractor meet Generally Accepted Governmental Auditing Standards, the State shall rely on those audits and any additional audit work and shall build upon the work already done.
- i. The State may, at its option, direct its own auditors to perform either of the audits described above. The Contractor will be given advance written notification, if the State chooses to exercise its option to perform said audits.
- j. The Contractor shall include a clause in any agreement the Contractor enters into with the audit firm doing the single organization wide audit to provide access by the State or Federal Government to the working papers of the independent auditor who prepares the single organization wide audit for the Contractor.
- k. Federal or state auditors shall have "expanded scope auditing" authority to conduct specific program audits during the same period in which a single organization wide audit is being performed, but the audit report has not been issued. The federal or state auditors shall review and have access to the current audit work being conducted and will not apply any testing or review procedures which have not been satisfied by previous audit work that has been completed.

The term "expanded scope auditing" is applied and defined in the U.S. General Accounting Office (GAO) issued Standards for *Audit of Government Organizations, Programs, Activities and Functions*, better known as the "yellow book".

By signing this Agreement, Contractor or Grantee certifies that it will comply with the requirements of the Act and will not allow smoking within any portion of any indoor facility used for the provision of services for children as defined by the Act. The prohibitions herein are effective December 26, 1994.
- d. Contractor or Grantee further agrees that it will insert this certification into any subawards (subcontracts or subgrants) entered into that provide for children's services as described in the Act.

- d. If Grantee makes expenditures to assist, promote or deter union organizing, Grantee will maintain records sufficient to show that no state funds were used for those expenditures, and that Grantee shall provide those records to the Attorney General upon request.

**31. Contract Uniformity (Fringe Benefit Allowability)**

(Applicable only to nonprofit organizations.)

Pursuant to the provisions of Article 7 (commencing with Section 100525) of Chapter 3 of Part 1 of Division 101 of the Health and Safety Code, DHCS sets forth the following policies, procedures, and guidelines regarding the reimbursement of fringe benefits.

- d. To be an allowable fringe benefit, the cost must meet the following criteria:
  - (1) Be necessary and reasonable for the performance of the Agreement.
  - (2) Be determined in accordance with generally accepted accounting principles.
  - (3) Be consistent with policies that apply uniformly to all activities of the Contractor.
- e. Contractor agrees that all fringe benefits shall be at actual cost.

## f. Earned/Accrued Compensation

- (1) Compensation for vacation, sick leave and holidays is limited to that amount earned/accrued within the agreement term. Unused vacation, sick leave and holidays earned from periods prior to the agreement term cannot be claimed as allowable costs. See Provision f (3)(a) for an example.
- (2) For multiple year agreements, vacation and sick leave compensation, which is earned/accrued but not paid, due to employee(s) not taking time off may be carried over and claimed within the overall term of the multiple years of the Agreement. Holidays cannot be carried over from one agreement year to the next. See Provision f (3)(b) for an example.
- (3) For single year agreements, vacation, sick leave and holiday compensation that is earned/accrued but not paid, due to employee(s) not taking time off within the term of the Agreement, cannot be claimed as an allowable cost. See Provision f (3)(c) for an example.

(a) **Example No. 1:**

If an employee, John Doe, earns/accrues three weeks of vacation and twelve days of sick leave each year, then that is the maximum amount that may be claimed during a one year agreement. If John Doe has five weeks of vacation and eighteen days of sick leave at the beginning of an agreement, the Contractor during a one-year budget period may only claim up to three weeks of vacation and twelve days of sick leave as actually used by the employee. Amounts earned/accrued in periods prior to the beginning of the Agreement are not an allowable cost.

(b) **Example No. 2:**

If during a three-year (multiple year) agreement, John Doe does not use his three weeks of vacation in year one, or his three weeks in year two, but he does actually use nine weeks in year three; the Contractor would be allowed to claim all nine weeks paid for in year three. The total compensation over the three-year period cannot exceed 156 weeks (3 x 52 weeks).

(c) **Example No. 3:**

If during a single year agreement, John Doe works fifty weeks and used one week of vacation and one week of sick leave and all fifty-two weeks have been billed to DHCS, the remaining unused two weeks of vacation and seven days of sick leave may not be claimed as an allowable cost.

**32. Suspension or Stop Work Notification**

- a. DHCS may, at any time, issue a notice to suspend performance or stop work under this Agreement. The initial notification may be a verbal or written directive issued by the funding Program's Contract Manager. Upon receipt of said notice, the Contractor is to suspend and/or stop all, or any part, of the work called for by this Agreement.
- b. Written confirmation of the suspension or stop work notification with directions as to what work (if not all) is to be suspended and how to proceed will be provided within 30 working days of the verbal notification. The suspension or stop work notification shall remain in effect until further written notice is received from DHCS. The resumption of work (in whole or part) will be at DHCS' discretion and upon receipt of written confirmation.
  - (1) Upon receipt of a suspension or stop work notification, the Contractor shall immediately comply with its terms and take all reasonable steps to minimize or halt the incurrence of costs allocable to the performance covered by the notification during the period of work suspension or stoppage.

(2) Within 90 days of the issuance of a suspension or stop work notification, DHCS shall either:

- (a) Cancel, extend, or modify the suspension or stop work notification; or
  - (b) Terminate the Agreement as provided for in the Cancellation / Termination clause of the Agreement.
- c. If a suspension or stop work notification issued under this clause is canceled or the period of suspension or any extension thereof is modified or expires, the Contractor may resume work only upon written concurrence of funding Program's Contract Manager.
  - d. If the suspension or stop work notification is cancelled and the Agreement resumes, changes to the services, deliverables, performance dates, and/or contract terms resulting from the suspension or stop work notification shall require an amendment to the Agreement.
  - e. If a suspension or stop work notification is not canceled and the Agreement is cancelled or terminated pursuant to the provision entitled Cancellation / Termination, DHCS shall allow reasonable costs resulting from the suspension or stop work notification in arriving at the settlement costs.
  - f. DHCS shall not be liable to the Contractor for loss of profits because of any suspension or stop work notification issued under this clause.

- B. Should either party, during the term of this Intergovernmental Agreement, desire a change or amendment to the terms of this Intergovernmental Agreement, such changes or amendments shall be proposed in writing to the other party, who will respond in writing as to whether the proposed changes/amendments are accepted or rejected. If accepted and after negotiations are concluded, the agreed upon changes shall be made through the State's official agreement amendment process. No amendment will be considered binding on either party until it is formally approved by the both parties and the Department of General Services (DGS), if DGS approval is required.

If a conflict of interest is
