RE: First Amendment to Agreement with Owen Equipment Sales for Repair of
Road Division Street Sweeper

ACTION REQUESTED

Approve first amendment to agreement with Owen Equipment Sales to add \$10,000 in additional funding to agreement for total not to exceed amount of \$35,000 and authorize Director of Public Works/Transportation to sign amendment.

DISCUSSION

In April of 2020 an agreement was entered into with Owen Equipment Sales, to service and rebuild a Road Division 1980 Pelican street sweeper. The sweeper was in need of significant mechanical work to bring it up to a full safe operating condition. The initial quote to complete the work was approximately \$25,000. As the full tear down of machine was completed, additional repair work was found to be needed in the amount of approximately \$7,500. An additional \$2,500 is included in the amendment to cover the cost for any consumable parts that may need to be purchased during this coming construction season.

The original agreement was a sole source purchase and deviates from purchasing policy for the following reason. Owen Equipment Sales was the closest (Los Angeles, CA) qualified shop to complete the sweeper rebuild.

FINANCIAL IMPACT

Cost increase to service agreement in the amount of \$10,000. Funding for repair is available in fund 122-1221.

ALTERNATIVE: Not Approve.
