Lassen County Board of Supervisors.

I am contacting you today in regards to the vacant position on the Herlong Public Utility District Board. I served on the West Patton Village Community Service District (WPVCSD) board of trustees for several years before we decided to relinquish control and authority of the WPVCSD board to the Herlong Public Utility District (HPUD). I am now a board member on the HPUD board.

Mrs. Theresa Turek also served on the WPVCSD board at the same time I served on the WPVCSD board.

When we, the HPUD, had a recent board member vacancy, I talked to Mrs. Turek and asked her to consider serving on our HPUD board.

From past experience, I know Mrs. Turek was an asset to our board due to several factors.

1. Community involvement. She is a long time resident of our local community and has our success and welfare at heart.
 2. Mrs. Turek is an independent thinker and is able to agree to disagree when necessary.
 3. She actively communicates with the people in our community, especially the elderly, to hear their concerns about our community and shares those concerns with the rest of the board as agenda items as appropriate.
 4. Mrs. Turek is knowledgeable about the role and responsibilities of a board member which she is prepared to undertake.
 5. At present, I am the only female on our HPUD board of 5 members. Having another female on the board would even out gender representation for our community.
- I would greatly appreciate your consideration of appointing Mrs. Teresa Turkek as our 5th board member for the Herlong Public Utility District.

Thank you,

Eula Johnson
Director, HPUD
