Oral presentations will be limited in time by the Board Chair, and a timer may be used. Where speakers can be grouped by affiliation or interest, such groups are expected to select a spokesperson and to not be repetitive. The Board will accommodate spokespersons by granting additional time if other group members will not also be speaking.

Written materials that are received after deadlines set by item-specific Notices and/or Hearing Procedures will not generally be admitted. Any person requesting to submit late materials must demonstrate good cause, and the Chair must find that the admission of the late materials would not prejudice the Central Valley Water Board or any designated party. The Chair may modify this rule to avoid severe hardship.

ELECTRONIC PRESENTATIONS

PowerPoint and other electronic presentations are frequently presented at the Board Meetings. Please e-mail presentations to the Board's Webmaster at webmaster5@waterboards.ca.gov (agenda5@waterboards.ca.gov) at least 24 hours in advance, or bring your files either on a USB Flash Drive or CD-ROM and give them to Board Staff prior to the start of the meeting.

PETITION PROCEDURE

Any person aggrieved by an action of the Central Valley Water Board may petition the State Water Board to review the action in accordance with Water Code section 13320 and California Code of Regulations, title 23, sections 2050 and following. The State Water Board must receive the petition by 5:00 p.m., 30 days after the date of the issuance of the Order, except that if the thirtieth day following the issuance of the Order falls on a Saturday, Sunday, or state holiday, the petition must be received by the State Water Board by 5:00 p.m. on the next business day. Copies of the law and regulations applicable to filing petitions may be found on the State Water Board's Water Quality Petitions web page (https://www.waterboards.ca.gov/public_notices/petitions/water_quality/) or will be provided upon request.
