Due to some regulation and other changes the organization needed to return as a JPA. CEO Stone stated she had been in many discussions with the board members, County Administrative Officers, and Board of Supervisors. CEO Stone discussed benefits, process of the transition, and deadline dates. Supervisor Albaugh asked if it would be beneficial to have county staff to reside on the board, similar to the board members of Trindel or Public Risk Innovation Solutions Management (PRISM), rather a member of the Board of Supervisors. CEO Stone said it was important to the organization and group who developed the JPA that those members are Board of Supervisors because they were allowing, approving, and obligating county funds. Acting CAO Samantha McMullen stated she and County Counsel Uhrhammer had attended the meeting and asked important questions pertaining to timelines and the JPA. Acting CAO McMullen reminded the board the Emergency Medical Care Committee (EMCC) monitored Norcal EMS. Office of Emergency Services (OES) Chief Silas Rojas stated his opinion was procedures and services in Norcal EMS were not changing and it was just a reorganization in a government structure. Ambulance services would still be provided. Additional discussion was held.

Director of Planning and Building Services Maury Anderson read the action requested informed the board this policy was in place a couple of years ago. The prior hearing officer requested the ordinance be amended. The current ordinance represented issues and situations where the abatement process was too slow or would have to go through the courts. The proposed amended ordinance would allow citations to be issued at the occurrence of a violation. Sheriff/Coroner John McGarva stated he wrote a letter of support of this item for Director Anderson and said he would come across issues that really weren't criminal but there wasn't a mechanism in the law to write a ticket. This ordinance was designed to persuade the public to be compliant with the law. The intent was not to use this as a weapon to bring the county down. Brief discussion was held pertaining to a criminal citation versus a civil citation.
