County Counsel Burns announced that this item was a public meeting and not a public hearing.

Director of Planning and Building Services Maurice Anderson informed the Board that this item was an appeal of a determination made by Planning and Building Services regarding a plan line on Hobo Camp Road which is also a public easement. Director Anderson stated that the property owner was

proposing to develop the property and wished to have a lesser setback. Director Anderson displayed a power point of the map of the location, showed where the plan lines lay and what the owner is requesting. Brief discussion was held. The property owner, Mary Foster corrected Director Anderson by stating they did not want to go to the center of the road and that their plans were fifteen (15) from the easement, not from the road. Mrs. Foster gave a description of the property and the plans for development. Director Anderson and the Board discussed the difference between a variance and an appeal. Discussion was held.
