MINING FEES

SUBJECT: Consider an amendment to Lassen County Code Section 3.18.021 (Planning Department fees for surface mining and related activities) to include in the "Annual Surface Mine Administration and Operations Monitoring Fee" a minimum fee amount of \$1,000 per site and a maximum fee amount of \$3,850 per site, regardless of mining status. As the County fee is currently calculated as a percentage of the State fee (75%), a set County fee maximum per site will prevent continual increases due to ongoing increases to the State fee maximum.

FISCAL IMPACT: None. The revenue generated by this fee is expected to remain consistent with previous years.

ACTION REQUESTED: 1) Adopt Ordinance; or 2) provide direction to staff.
